The definitions in clauses (1) and (2), (6)–(10), (14)–(21), and (24) reflect the adoption of terminology which, though undefined in the source statutes restated in this revised title, represent the closest practicable approximation of the ways in which the terms defined have been most commonly used, and so far as possible are identical to those used in title 10, United States Code, containing most of the basic law relating to the armed forces.

In clause (3), the words “and all Regular and Reserve components thereof”, in section 231(a) of existing title 37, are omitted as surplusage. Section 231(j) of existing title 37 is omitted as covered by section 1 of title 1.

In clause (4), that part of section 32(a) of existing title 37 relating other than to the enumeration of the armed forces is omitted as unnecessary. Section 231(k) of existing title 37 is omitted, since throughout the revised title references to members of the Army or Air Force without specification of component are specifically included when necessary.

In clause (11), the words “flight officer” are omitted as obsolete. Section 231(c) (last sentence) of existing title 37 is omitted as unnecessary.

In clause (12), the definition of commissioned officer is broadened and restated to conform to the definition in section 101(15) of title 10. Corresponding changes are made throughout the revised title to correspond to the definition.

Clause (13), which is identical to section 101(16) of title 10, is substituted for section 231(e) of existing title 37. The words “flight officer” are omitted as obsolete. Section 231(h) of existing title 37 is omitted, since the defined term is not used in the revised title.

Clause (22) is substituted for section 231(i) of existing title 37.

In clause (23), section 231(b) (less 1st sentence) of existing title 37 is omitted as executed by the express coverage of members of the Fleet Reserve and Fleet Marine Corps Reserve.

AMENDMENTS

2021—Pars. (3), (4). Pub. L. 116-283, §925(a)(1), inserted “Space Force,” after “Marine Corps.”.

¹ See Change of Name note below.

Par. (5)(C). Pub. L. 116-283, §925(a)(2), which directed insertion of “and the Space Force” after “Air Force”, was executed by making the insertion after “Air Force” the second place appearing, to reflect the probable intent of Congress.

2006—Par. (24)(C). Pub. L. 109-163 substituted “Navy Reserve” for “Naval Reserve”.

2002—Par. (1). Pub. L. 107-314 designated existing provisions as subpar. (A) and added subpar. (B).

Par. (5)(D). Pub. L. 107-296 substituted “of Homeland Security” for “of Transportation”.

2001—Par. (22). Pub. L. 107-107 inserted “(except as provided in section 206(d)(2) of this title)” after “but” in concluding provisions.

1998—Par. (2). Pub. L. 105-261 struck out “the Canal Zone,” after “includes”.

1997—Par. (25). Pub. L. 105-85 substituted “basic allowance for housing” for “basic allowance for quarters (including any variable housing allowance or station housing allowance)”.

1993—Par. (26). Pub. L. 103-160 made technical amendment to directory language of Pub. L. 102-484. See 1992 Amendment note below.

1992—Par. (26). Pub. L. 102-484, as amended by Pub. L. 103-160, substituted “section 101 of title 10” for “section 101(47) of title 10”.

1991—Par. (26). Pub. L. 102-190 added par. (26).

1988—Par. (5). Pub. L. 100-456 substituted “Secretary” for “secretary” in introductory provisions.

1987—Pub. L. 100-26, §8(e)(1)(A), substituted “the following definitions apply in this title:” for “for the purposes of this title—”.

Pub. L. 100-26, §8(e)(1)(B), inserted “The term” at beginning of pars. (1) to (25).

Pub. L. 100-26, §8(e)(1)(C), which directed that this section be amended by revising first word after open quotation marks in each paragraph (other than par. (1) and (6) through (10)) so that initial letter of such word is lowercase, was executed to par. (5) only because specified words in other pars. began with lowercase letters.

Pub. L. 100-26, §8(e)(1)(D), (E), which directed a period be substituted for the semicolon at end of pars. (1) to (24) and that “and” be struck out at end of par. (24), was executed by making the substitution in pars. (1) to (23) and by striking “and” at end of par. (23), to reflect the probable intent of Congress, because par. (24) already ended in a period and “and” appeared at end of par. (23), not par. (24).

1984—Cl. (18). Pub. L. 98-525 inserted “full-time National Guard duty,” after “annual training duty.”

1980—Cls. (3), (5)(E). Pub. L. 96-513, §516(1)(A), substituted “National Oceanic and Atmospheric” for “Environmental Science Services”.

Cl. (5)(F). Pub. L. 96-513, §516(1)(B), substituted “Health and Human Services” for “Health, Education, and Welfare”.

Cls. (7), (9). Pub. L. 96-600 inserted references to Guam.

Cl. (18). Pub. L. 96-513, §506(1), struck out “duty on the active list,” after “and includes”.

Cl. (25). Pub. L. 96-579 defined “regular compensation” or “regular military compensation (RMC)” to include with respect to basic allowance for quarters any variable housing allowance or station housing allowance.

1974—Cl. (25). Pub. L. 93-419 added cl. (25).

1966—Cls. (3), (5)(E). Pub. L. 89-718 substituted “Environmental Science Services Administration” for “Coast and Geodetic Survey”.

In subsection (a), the words “whether under temporary or permanent appointment” are omitted as surplusage. The words “the following pay grades” are substituted for the words “the various pay grades prescribed for commissioned officers by subsection (a) of this section, as follows”. The words “(other than a commissioned warrant officer)” are inserted to conform to the definition of “warrant officer” in section 101(13) of this revised title.

In subsection (b), the words “with two or less years of service computed under section 205 of this title” are substituted for the word “minimum”.

In subsections (c) and (e), the words “with two or less years of service computed under section 205 of this title” are substituted for the words “with under two cumulative years’ service” and “with under two cumulative years of service”, in sections 308 and 232(e), respectively, of existing title 37.

In subsection (e), the words “enlisted or appointed under the Army Aviation Cadet Act, as amended, or under the Naval Aviation Cadet Act of 1942, as amended” are omitted as obsolete and surplusage. Both of the cited acts were repealed by section 53 of the Act of August 10, 1956, ch. 1041 (70A Stat. 641), and replaced by various sections of title 10. Further reference is surplusage, however, since aviation cadets are not appointed or enlisted under any provision of law other than the sections of title 10 embodying the former Army Aviation Cadet Act and the Naval Aviation Cadet Act of 1942. The word “basic” is inserted for clarity, since the word “pay” as defined in section 101(21) of this revised title includes special and incentive pays. Incentive pay for aviation cadets is provided in section 301(b) of this revised title.

In subsection (f), the words “While on active duty”, in section 6915(f) of title 10 and section 758a(f) of title 14, are omitted as covered by section 204 of this title which prescribes the conditions under which members of the uniformed services are entitled to basic pay. The words “Unless he is entitled to the basic pay of a higher pay grade” are substituted for the words “or that of his grade, whichever is greater” in section 6915(f) of title 10 and section 758a(f) of title 14.

In subsection (g), the words “Except as provided by subsections (e) and (f)” are inserted to reflect those subsections relating to enlisted aviation cadets or aviation pilots.

(1) a member of a uniformed service who is on active duty; and

(2) a member of a uniformed service, or a member of the National Guard who is not a Reserve of the Army or the Air Force, who is participating in full-time training, training duty with pay, or other full-time duty, provided by law, including participation in exercises or the performance of duty under section 10302, 10305, 10502, or 12402 of title 10, or section 503, 504, 505, or 506 of title 32.

(b) For the purposes of subsection (a), under regulations prescribed by the President, the time necessary for a member of a uniformed service who is called or ordered to active duty for a period of more than 30 days to travel from his home to his first duty station and from his last duty station to his home, by the mode of transportation authorized in his call or orders, is considered active duty.

(c)(1) A member of the National Guard who is called into Federal service for a period of 30 days or less is entitled to basic pay from the date on which the member, in person or by authorized telephonic or electronic means, contacts the member's unit.

(2) Paragraph (1) does not authorize any expenditure to be paid for a period before the date on which the unit receives the member's contact provided under such paragraph.

(3) The Secretary of the Army, with respect to the Army National Guard, and the Secretary of the Air Force, with respect to the Air National Guard, shall prescribe such regulations as may be necessary to carry out this subsection.

(d) Full-time training, training duty with pay, or other full-time duty performed by a member of the Army National Guard of the United States or the Air National Guard of the United States in his status as a member of the National Guard, is active duty for the purposes of this section.

(e) A payment accruing under any law to a member of a uniformed service incident to his release from active duty or for his return home incident to that release may be paid to him before his departure from his last duty station, whether or not he actually performs the travel involved. If a member receives a payment under this subsection but dies before that payment would have been made but for this subsection, no part of that payment may be recovered by the United States.

(f) A cadet of the United States Military Academy or the United States Air Force Academy, or a midshipman of the United States Naval Academy, who, upon graduation from one of those academies, is appointed as a second lieutenant of the Army or the Air Force is entitled to the basic pay of pay grade O-1 beginning upon the date of his graduation.

(g)(1) A member of a reserve component of a uniformed service is entitled to the pay and allowances provided by law or regulation for a member of a regular component of a uniformed service of corresponding grade and length of service whenever such member is physically disabled as the result of an injury, illness, or disease incurred or aggravated—

(A) in line of duty while performing active duty;

(2) In the case of a member who receives earned income from nonmilitary employment or self-employment performed in any month in which the member is otherwise entitled to pay and allowances under paragraph (1), the total pay and allowances shall be reduced by the amount of such income. In calculating earned income for the purpose of the preceding sentence, income from an income protection plan, vacation pay, or sick leave which the member elects to receive shall be considered.

(h)(1) A member of a reserve component of a uniformed service who is physically able to perform his military duties, is entitled, upon request, to a portion of the monthly pay and allowances provided by law or regulation for a member of a regular component of a uniformed service of corresponding grade and length of service for each month for which the member demonstrates a loss of earned income from nonmilitary employment or self-employment as a result of an injury, illness, or disease incurred or aggravated—

(2) The monthly entitlement may not exceed the member's demonstrated loss of earned income from nonmilitary or self-employment. In calculating such loss of income, income from an income protection plan, vacation pay, or sick leave which the member elects to receive shall be considered.

(i)(1) The total amount of pay and allowances paid under subsections (g) and (h) and compensation paid under section 206(a) of this title for any period may not exceed the amount of pay and allowances provided by law or regulation for a member of a regular component of a uniformed service of corresponding grade and length of service for that period.

(2) Pay and allowances may not be paid under subsection (g) or (h) for a period of more than six months. The Secretary concerned may extend such period in any case if the Secretary determines that it is in the interests of fairness and equity to do so.

(3) A member is not entitled to benefits under subsection (g) or (h) if the injury, illness, disease, or aggravation of an injury, illness, or disease is the result of the gross negligence or misconduct of the member.

(4) Regulations with respect to procedures for paying pay and allowances under subsections (g) and (h) shall be prescribed—

(A) by the Secretary of Defense for the armed forces under the jurisdiction of the Secretary; and

[The citations to section 232(d) of existing title 37, above, are to the language of subsection (d) set forth in the codification note under section 232, rather than that erroneously set forth in the text of the section.]

In subsection (a), the last 27 words are substituted for the words “or performance of the duties provided for by sections 5, 81, 94, 97 and 99 of the National Defense Act, as amended,” to reflect the current citations. So much of the introductory clause as follows the exception is substituted for the 36 words preceding 1st proviso of 1st sentence of section 232(d) of existing title 37. The words “on the active list” are omitted as covered by the words “active duty” as defined in section 101(18) of this revised title. The words “(provided for or authorized in the National Defense Act, as amended, or in the Naval Reserve Act of 1938, as amended)” are omitted as covered by the words “provided by law”.

In subsection (b), the words “For the purposes of subsection (a)” are inserted for clarity. The words “active duty for a period of more than 30 days” are substituted for the words “extended active duty in excess of thirty days”. The words “call or” are inserted to conform to the words “called or”.

In subsection (c), the words “and allowances” are omitted, since, under chapter 7 of this revised title, entitlement to allowances depends upon entitlement to basic pay. The last sentence is substituted for the last 38 words of the 2d proviso of the 1st sentence of section 232(d) of existing title 37.

In subsection (d), the words “for the purposes of this section” are substituted for the words “and which entitles them to receive basic pay . . . in the service of the United States”. The words “pursuant to this section” are omitted as surplusage.

In subsection (e), the words “or active duty for training” are omitted as covered by the words “active duty” as defined in section 101(18) of this revised title.

In subsection (f), the words “is appointed” are substituted for the words “has been or may be commissioned”. The words “under the laws appointing such graduates to the Army” and the last 16 words of section 308a of existing title 37 are omitted as surplusage. The words “to the date of his acceptance of and qualification under his commission” are omitted, since the member concerned would continue to be entitled to basic pay after that acceptance and qualification. The words “or the United States Naval Academy” are inserted to reflect section 541 of title 10, under which graduates of that Academy may be appointed in the Army or the Air Force.

In subsection (i), the inclusion of the Coast Guard Reserve is based on the authority contained in section 755(c) of title 14.

HISTORICAL AND REVISION NOTES

<i>Revised section</i>	<i>Source (U.S. Code)</i>	<i>Source (Statutes at Large)</i>
205(a)	37:233(a) (less words after 2d semicolon of clause (7)).	Oct. 12, 1949, ch. 681, § 202 (less proviso of (d)), 63 Stat. 807; Apr. 30, 1956, ch. 223, § 2, 70 Stat. 121.
205(b)	37:233(b). 37:233(a)(7) (words between 2d and 3d semicolons).	
205(c)	37:233(d) (less proviso). 37:233(a)(7) (words after 3d semicolon).	
205(d)	37:233(c).	

In subsection (a), the introductory clause is substituted for section 233(a) (introductory clause) of existing title 37. In clauses (1) and (2), the word "officer" is substituted for the words "commissioned officer, commissioned warrant officer, warrant officer" to conform to the definition of "officer" in section 101(11) of this revised title. In clause (1), the words "Regular or Reserve component" are omitted, since, under the definition of "reserve component" in section 102(k) of the source statute, those words are defined to include members without component status. Together, these categories compose the entire structure of any uniformed service. In clause (2)(F), the words "a reserve component of a uniformed service" are substituted for the words "the National Guard of the United States, or in the Organized Reserve Corps, or in the Officers' Reserve Corps, or in the Enlisted Reserve Corps, or in the Medical Reserve Corps, or in the Medical Reserve Corps of the Navy, or in the Dental Reserve Corps of the Navy . . . or in the Naval Reserve . . . or in the Air National Guard of the United States, or in the Air Force Reserve, or in the officers' section of the Air Force Reserve, or in the enlisted section of the Air Force Reserve, or in the Air Corps Reserve . . . or in the Marine Corps Reserve, or in the Coast Guard Reserve, or in the Reserve Corps of the Public Health Service," since all of the named organizations were or are reserve components. In clause (4), the words "as it existed at any time before April 16, 1947" are inserted for clarity, since the reference is intended to apply to the corps established by law before April 16, 1947. Service in the Army Nurse Corps or Navy Nurse Corps now existing would be included under clause (1) or (2), since there is now no legal distinction between the service of nurses and that of other members of the Army and Navy. In clause (6), the date "January 1, 1961," is substituted for the words "the effective date of this section," to reflect laws enacted after that effective date which authorized certain service to be credited for pay purposes. See, for example, Public Law 86-142. Clause (9) is substituted for section 233(b) (less proviso) of existing title 37. The last sentence is substituted for section 233(b) (proviso) of existing title 37.

In subsection (b), the first 33 words of section 233(d) of existing title 37 are omitted as covered by the words "are computed by adding" in subsection (a). The words "for any reason," in section 233(d) of existing title 37, are omitted as surplusage.

In subsection (c)(3), the words "chapter 67 of title 10" are substituted for the words "title III of the Army and Air Force Vitalization and Retirement Equalization Act of 1948," since that title was repealed by section 53 of the Act of August 10, 1956, ch. 1041 (70A Stat. 641), and is now codified as chapter 67 of title 10 by section 1 of that Act.

§ 206. Reserves; members of National Guard: inactive-duty training

(a) Under regulations prescribed by the Secretary concerned, and to the extent provided for by appropriations, a member of the National Guard or a member of a reserve component of a uniformed service who is not entitled to basic pay under section 204 of this title, is entitled to compensation, at the rate of $\frac{1}{30}$ of the basic pay authorized for a member of a uniformed service of a corresponding grade entitled to basic pay—

(1) for each regular period of instruction, or period of appropriate duty, at which the member is engaged for at least two hours, including that performed on a Sunday or holiday;

(2) for the performance of such other equivalent training, instruction, duty, or appropriate duties, as the Secretary may prescribe;

(3) for a regular period of instruction that the member is scheduled to perform but is unable to perform because of physical disability resulting from an injury, illness, or disease incurred or aggravated—

(A) in line of duty while performing—

(i) active duty; or

(ii) inactive-duty training;

(B) while traveling directly to or from that duty or training (unless such injury, illness, disease, or aggravation of an injury, illness, or disease is the result of the gross negligence or misconduct of the member); or

(C) in line of duty while remaining overnight immediately before the commencement of inactive-duty training, or while remaining overnight, between successive periods of inactive-duty training, at or in the vicinity of the site of the inactive-duty training; or

(4) for a regular period of instruction, period of appropriate duty, or such other equivalent training that a member would be required to perform but does not perform because such member was authorized to take parental leave pursuant to section 711 of title 10.

(b) The regulations prescribed under subsection (a) for each uniformed service, the National Guard, and each of the classes of organization of the reserve components within each

uniformed service, may be different. The Secretary concerned shall, for the National Guard and each of the classes of organization within each uniformed service, prescribe—

(1) minimum standards that must be met before an assembly for drill or other equivalent period of training, instruction, duty, or appropriate duties may be credited for pay purposes, and those standards may require the presence for duty of officers and enlisted members in numbers equal to or more than a minimum number or percentage of the unit strength for a specified period of time with participation in a prescribed kind of training;

(2) the maximum number of assemblies or periods of other equivalent training, instruction, duty, or appropriate duties, that may be counted for pay purposes in each fiscal year or in lesser periods of time; and

(3) the minimum number of assemblies or periods of other equivalent training, instruction, duty, or appropriate duties that must be completed in stated periods of time before the members of units or organizations can qualify for pay.

(c) A person enlisted in the inactive National Guard is not entitled to pay under this section.

(d)(1) Except as provided in paragraph (2), this section does not authorize compensation for work or study performed by a member of a reserve component or by a member of the National Guard while not in Federal service in connection with correspondence courses of a uniformed service.

(2) A member of the Selected Reserve of the Ready Reserve may be paid compensation under this section at a rate and under terms determined by the Secretary of Defense, but not to exceed the rate otherwise applicable to the member under subsection (a), upon the member's successful completion of a course of instruction undertaken by the member using electronic-based distributed learning methodologies to accomplish training requirements related to unit readiness or mobilization, as directed for the member by the Secretary concerned. The compensation may be paid regardless of whether the course of instruction was under the direct control of the Secretary concerned or included the presence of an instructor.

(3) The prohibition in paragraph (1), including the prohibition as it relates to a member of the National Guard while not in Federal service, applies to—

(A) any work or study performed on or after September 7, 1962, unless that work or study is specifically covered by the exception in paragraph (2); and

(B) any claim based on that work or study arising after that date.

(e) A member of the National Guard or of a reserve component of the uniformed services may not be paid under this section for more than four periods of equivalent training, instruction, duty, or appropriate duties performed during a fiscal year instead of the member's regular period of instruction or regular period of appropriate duty during that fiscal year.

(f) A member of the Individual Ready Reserve is not entitled to compensation under this sec-

tion for participation in screening for which the member is paid a stipend under section 433a of this title.

In subsection (a), the words “National Guard” are substituted for the words “National Guard, Air National Guard”, in section 301(a) of existing title 37, to conform to the definition of “National Guard” in section 101(6) of this revised title. The words “member of a reserve component of a uniformed service” are substituted for the words “National Guard of the United States, Air National Guard of the United States, Organized Reserve Corps, Naval Reserve, Air Force Reserve, Marine Corps Reserve, Coast Guard Reserve, and the Reserve Corps of the Public Health Service,” since all of those organizations, or their successors, are the reserve components of the uniformed services. The words “who is not entitled to basic pay under section 204 of this title” are substituted for section 301(e) as (applicable to basic pay) of existing title 37. The words “of a corresponding grade” are inserted for clarity.

In subsection (b), the words “National Guard or reserve components” are substituted for the listing of organizations for the reasons set forth above. Reference to “classes of organization,” so far as they relate to the National Guard, are omitted, since there are no classes of organization of the National Guard.

In subsection (b), the words preceding the tables are substituted for section 235(b) (words preceding tables) of existing title 37. The words “Years of service computed under section 205” are inserted in the tables for clarity.

In subsection (f), the words “a member of a reserve component of a uniformed service, or of the National Guard” are substituted for the enumeration of the organizations concerned in section 301(d) of existing title 37. The words “when . . . performs, under orders, any duty described in subsection (a)(1)–(11) for members entitled to basic pay” are substituted for the words “when required by competent orders to perform any hazardous duty prescribed by or pursuant to section 235 of this title for members of the uniformed services entitled to receive basic pay and when in consequence of such orders they do perform any hazardous duty so prescribed”. In subsection (g), the words “entitled to incentive pay under section 301(a)(1) of this title” are substituted for the words “flight pay”. At the time of the enactment of the source statute, additional pay was authorized as “flight pay”. However, the Career Compensation Act of 1949 did not authorize “flight pay” but provided incentive pay in section 204(a)(1) [now section 301(a)(1) of this revised title] for “duty as a crew member . . . involving frequent and regular participation in aerial flight”. The words “before January 2 of each year” are substituted for the words “On or before January 1, annually”. The word “grade” is substituted for the word “rank” to conform to the definition in section 101(15) of this revised title.

GEORGE W. BUSH.

§ 301a. Incentive pay: aviation career

(a)(1) Subject to regulations prescribed by the President, a member of a uniformed service who is entitled to basic pay is also entitled to aviation career incentive pay in the amount set forth in subsection (b) for the frequent and regular performance of operational or proficiency flying duty required by orders.

(2) Aviation career incentive pay shall be restricted to regular and reserve officers who hold, or are in training leading to, an aeronautical rating or designation and who engage and remain in aviation service on a career basis.

(3) Under regulations prescribed by the Secretary of Defense, the Secretary of Homeland Security with respect to the Coast Guard when it is not operating as a service in the Navy, or the Secretary of Commerce and the Secretary of Health and Human Services with respect to members under their respective jurisdiction, an officer (except a flight surgeon or other medical officer) who is entitled to basic pay, holds an aeronautical rating or designation, and is qualified for aviation service under regulations prescribed by the Secretary concerned, is entitled to continuous monthly incentive pay in the amount set forth in subsection (b) that is applicable to him. A flight surgeon or other medical officer who is entitled to basic pay, holds an aeronautical rating or designation, and is qualified for aviation service under regulations prescribed by the Secretary concerned, is not entitled to continuous monthly incentive pay but is entitled to monthly incentive pay in the amounts set forth in subsection (b) for the frequent and regular performance of operational flying duty.

(4) To be entitled to continuous monthly incentive pay, an officer must perform the prescribed operational flying duties (including flight training but excluding proficiency flying) for 8 of the first 12, and 12 of the first 18 years of the aviation service of the officer. However, if an officer performs the prescribed operational flying duties (including flight training but excluding proficiency flying) for at least 10 but less than 12 of the first 18 years of the aviation service of the officer, the officer will be entitled to continuous monthly incentive pay for the

first 22 years of aviation service of the officer. Entitlement to continuous monthly incentive pay ceases for an officer (other than a warrant officer) upon completion of 25 years of aviation service, but such an officer in a pay grade below pay grade O-7 remains entitled to monthly incentive pay under subsection (b)(1) for the performance of operational flying duty.

(5) If upon completion of either 12 or 18 years of aviation service it is determined that an officer has failed to perform the minimum prescribed operational flying duty requirements during the prescribed periods of time, his entitlement to continuous monthly incentive pay ceases. For the needs of the service, the Secretary concerned may permit, on a case by case basis, an officer to continue to receive continuous monthly incentive pay despite the failure of the officer to perform the prescribed operational flying duty requirements during the prescribed periods of time so long as the officer has performed those requirements for not less than 6 years of aviation service. The Secretary concerned may not delegate the authority in the preceding sentence to permit the payment of incentive pay under this subsection. If at the completion of 12 years of aviation service entitlement to continuous monthly incentive pay ceases, entitlement to that pay may again commence at the completion of 18 years of aviation service upon completion of the minimum operational flying duty requirements, such pay to continue for a period of time as prescribed in accordance with this section. However, if entitlement to continuous monthly incentive pay ceases in the case of any officer at the completion of either 12 or 18 years of aviation service, such officer remains entitled to monthly incentive pay for the performance of subsequent operational or proficiency flying duties up to the maximum period of time prescribed in accordance with this section.

(6) In this section:

(A) The term "aviation service" means service performed by an officer (except a flight surgeon or other medical officer) while holding an aeronautical rating or designation or while in training to receive an aeronautical rating or designation.

(B) The term "operational flying duty" means flying performed under competent orders by rated or designated members while serving in assignments in which basic flying skills normally are maintained in the performance of assigned duties as determined by the Secretary concerned, and flying performed by members in training that leads to the award of an aeronautical rating or designation.

(C) The term "proficiency flying duty" means flying performed under competent orders by rated or designated members while serving in assignments in which such skills would normally not be maintained in the performance of assigned duties.

(D) The term "officer" includes an individual enlisted, and designated, as an aviation cadet under section 8411 of title 10.

(b)(1) A member who satisfies the requirements described in subsection (a) is entitled to monthly incentive pay as follows:

Years of aviation service (including flight training) as an officer:	Monthly rate
2 or less	\$125
Over 2	\$156
Over 3	\$188
Over 4	\$206
Over 6	\$650
Over 14	\$840
Over 22	\$585
Over 23	\$495
Over 24	\$385
Over 25	\$250

(2) An officer in a pay grade above O-6 is entitled, until the officer completes 25 years of aviation service, to be paid at the rates set forth in the table in paragraph (1), except that—

(A) an officer in pay grade O-7 may not be paid at a rate greater than \$200 a month; and

(B) an officer in pay grade O-8 or above may not be paid at a rate greater than \$206 a month.

(3) For a warrant officer with over 22, 23, 24, or 25 years of aviation service who is qualified under subsection (a), the rate prescribed in the table in paragraph (1) for officers with over 14 years of aviation service shall continue to apply to the warrant officer.

(4) An officer serving as an air battle manager who is entitled to aviation career incentive pay under this section and who, before becoming entitled to aviation career incentive pay, was entitled to incentive pay under section 301(a)(13) of this title, shall be paid the monthly incentive pay at the higher of the following rates:

(A) The rate otherwise applicable to the member under this subsection.

(B) The rate at which the member was receiving incentive pay under section 301(c)(2)(A) of this title immediately before the member's entitlement to aviation career incentive pay under this section.

(c) In time of war, the President may suspend the payment of aviation career incentive pay.

(d) Under regulations prescribed by the President and to the extent provided for by appropriations, when a member of a reserve component of a uniformed service, or of the National Guard, who is entitled to compensation under section 206 of this title, performs, under orders, duty described in subsection (a) for members entitled to basic pay, he is entitled to an increase in compensation equal to $\frac{1}{30}$ of the monthly incentive pay authorized by subsection (b) for the performance of that duty by a member with corresponding years of aviation service who is entitled to basic pay. Such member is entitled to the increase for as long as he is qualified for it, for each regular period of instruction, or period of appropriate duty, at which he is engaged for at least two hours, including that performed on a Sunday or holiday, or for the performance of such other equivalent training, instruction, duty or appropriate duties, as the Secretary may prescribe under section 206(a) of this title. This subsection does not apply to a member who is entitled to basic pay under section 204 of this title.

§ 301c. Incentive pay: submarine duty

(a) **ELIGIBILITY REQUIREMENTS.**—(1) Subject to regulations prescribed by the President, a member of the naval service who is entitled to basic pay, and (A) holds (or is in training leading to) a submarine duty designator, (B) is in and remains in the submarine service on a career basis, and (C) meets the requirements of paragraph (3), is entitled to continuous monthly submarine duty incentive pay in the amount prescribed pursuant to subsection (b).

(2) Subject to regulations prescribed by the President, a member of the naval service who is entitled to basic pay but is not entitled to continuous monthly submarine duty incentive pay under paragraph (1) is entitled to submarine

duty incentive pay in the amount prescribed pursuant to subsection (b) for any period during which such member performs frequent and regular operational submarine duty (as defined in paragraph (5)) required by orders.

(3) To be entitled to continuous monthly submarine duty incentive pay through 26 years of service (as computed under section 205 of this title, but excluding, in the case of an officer, periods as an enlisted member before initial appointment as an officer), a member must perform operational submarine duties for at least 6 of the first 12, and at least 10 of the first 18, years of his submarine service. However, if a member performs the prescribed operational submarine duties for at least 8 but less than 10 of the first 18 years of his submarine service, he is entitled to continuous monthly submarine duty incentive pay for the first 22 years of his service (as computed under section 205 of this title, but excluding, in the case of an officer, periods as an enlisted member before initial appointment as an officer).

(4) If upon completion of either 12 or 18 years of submarine service it is determined that a member has failed to perform the minimum prescribed operational submarine duty requirements during the prescribed periods of time, his entitlement to continuous monthly submarine duty incentive pay ceases. If entitlement to continuous monthly submarine duty incentive pay ceases upon completion of 12 years of submarine service, entitlement to that pay may again commence upon completion of 18 years of submarine service if the minimum operational submarine duty requirements have been met, and such pay shall continue for the period of time prescribed in accordance with this section. However, if entitlement to continuous monthly submarine duty incentive pay ceases in the case of any member at the completion of either 12 or 18 years of submarine service or 26 years of service (as computed under section 205 of this title, but excluding, in the case of an officer, periods as an enlisted member before initial appointment as an officer), such member shall be entitled to that pay in the amount prescribed pursuant to subsection (b) for the performance of subsequent operational submarine duty, or for the performance of service as a member of a submarine operational command staff, if such member’s duties require serving on a submarine during underway operations.

(5) In this section:

(A) The term “operational submarine duty” means duty—

(i) while attached under competent orders to a submarine, while serving as an operator or crew member of an operational submersible (including an undersea exploration or research vehicle), while undergoing training preliminary to assignment to a nuclear-powered submarine, while undergoing rehabilitation after assignment to a nuclear-powered submarine, or, in the case of a member qualified in submarines, while attached as a member of a submarine operational command staff whose duties require serving on a submarine during underway operations—

(I) during one calendar month: 48 hours, except that hours served underway in ex-

cess of 48 as a member of a submarine operational command staff during any of the immediately preceding five calendar months and not already used to qualify for incentive pay may be applied to satisfy the underway time requirements for the current month;

(II) during any two consecutive calendar months when the requirements of subclause (I) of this clause have not been met: 96 hours; or

(III) during any three consecutive calendar months when the requirements of subclause (II) of this clause have not been met: 144 hours;

(ii) while receiving instruction to prepare for assignment to a submarine of advanced design, or

(iii) while receiving instruction to prepare for a position of increased responsibility on a submarine.

(B) The term “submarine service” means the service performed, under regulations prescribed by the Secretary of the Navy, by a member, and the years of submarine service are computed beginning with the effective date of the initial order to perform submarine service.

(b) MONTHLY RATES.—The Secretary of the Navy shall prescribe the monthly rates of submarine duty incentive pay, except that the maximum monthly rate may not exceed \$1,000.

(c) EXCEPTIONS.—(1) An officer who fails of selection for assignment as an executive officer or commanding officer of a submarine or who declines to serve in either such position may not be paid submarine duty incentive pay except for periods during which the officer is serving on a submarine during underway operations.

(2) An enlisted member may not be paid continuous submarine duty incentive pay while serving ashore between submarine sea duty assignments unless the member has a sufficient period of enlistment (including any extension of an enlistment) remaining to be reassigned to submarine sea duty.

(d) APPLICABILITY TO CERTAIN NAVY RESERVE DUTY.—Under regulations prescribed by the President and to the extent provided for by appropriations, when a member of the Navy Reserve who is entitled to compensation under section 206 of this title, performs, under orders, duty on a submarine during underway operations, he is eligible for an increase in such compensation equal to one-thirtieth of the monthly incentive pay prescribed pursuant to subsection (b) for the performance of that duty by a member of a corresponding grade and years of service who is entitled to basic pay. Such a member is eligible for the increase for each day served, for as long as he is qualified for it, during each regular period of appropriate duty.

Amendment by Pub. L. 93-64 effective July 1, 1973, see section 206 of Pub. L. 93-64, set out as a note under section 401 of this title.

§ 303a. Special pay: general provisions

(a) The Secretary of Defense, with respect to the Army, Navy, and Air Force, and the Secretary of Health and Human Services, with respect to the Public Health Service, shall prescribe regulations for the administration of sections 301d, 302 through 302j, and 303 of this title.

(b)(1) Except as provided in paragraph (2) or as otherwise provided under a provision of this chapter, a commissioned officer in the Regular or Reserve Corps¹ of the Public Health Service is entitled to special pay under a provision of this chapter in the same amounts, and under the same terms and conditions, as a commissioned officer of the armed forces is entitled to special pay under that provision.

(2) A commissioned medical officer in the Regular or Reserve Corps¹ of the Public Health Service (other than an officer serving in the Indian Health Service) may not receive additional special pay under section 302(a)(4) of this title for any period during which the officer is providing obligated service under the following provisions of law:

(A) Section 338B of the Public Health Service Act (42 U.S.C. 254I-1).

(B) Section 225(e) of the Public Health Service Act, as that section was in effect before October 1, 1977.

(C) Section 752 of the Public Health Service Act, as that section was in effect between October 1, 1977, and August 13, 1981.

(c) Special pay authorized under sections 301d, 302 through 302j, and 303 of this title is in addition to any other pay or allowance to which an officer is entitled. The amount of special pay to which an officer is entitled under any of such sections may not be included in computing the amount of any increase in pay authorized by any other provision of this title or in computing retired pay, separation pay, severance pay, or readjustment pay.

(d) The Secretary of Defense shall conduct a review every two years of the special pay for health professionals authorized by sections 301d, 302 through 302j, and 303 of this title.

(e) REPAYMENT OF UNEARNED PORTION OF BONUSES AND OTHER BENEFITS WHEN CONDITIONS OF PAYMENT NOT MET; TERMINATION OF ENTITLEMENT TO UNPAID AMOUNTS.—(1)(A) Except as provided in paragraphs (2) and (3), a member of the uniformed services who receives a bonus or similar benefit and whose receipt of the bonus or similar benefit is subject to the condition that the member continue to satisfy certain eligibility requirements shall repay to the United States an amount equal to the unearned portion of the bonus or similar benefit if the member fails to satisfy the eligibility requirements and may not receive any unpaid amounts of the bonus or similar benefit after the member fails to satisfy the requirements, unless the Secretary concerned determines that the imposition of the repayment requirement and termination of the payment of unpaid amounts of the bonus or similar benefit with regard to the member would be contrary to a personnel policy

¹ See Change of Name note below.

or management objective, would be against equity and good conscience, or would be contrary to the best interests of the United States.

(B) The Secretary concerned may establish, by regulations, procedures for determining the amount of the repayment required under this subsection and the circumstances under which an exception to the required repayment may be granted. The Secretary concerned may specify in the regulations the conditions under which an installment payment of a bonus or similar benefit to be paid to a member of the uniformed services will not be made if the member no longer satisfies the eligibility requirements for the bonus or similar benefit. For the military departments, this subsection shall be administered under regulations prescribed by the Secretary of Defense.

(2)(A) If a member of the uniformed services receives a sole survivorship discharge, the Secretary concerned—

(i) shall not require repayment by the member of the unearned portion of any bonus, incentive pay, or similar benefit previously paid to the member; and

(ii) may grant an exception to the requirement to terminate the payment of any unpaid amounts of a bonus, incentive pay, or similar benefit if the Secretary concerned determines that termination of the payment of the unpaid amounts would be contrary to a personnel policy or management objective, would be against equity and good conscience, or would be contrary to the best interests of the United States.

(B) In this paragraph, the term “sole survivorship discharge” means the separation of a member from the Armed Forces, at the request of the member, pursuant to the Department of Defense policy permitting the early separation of a member who is the only surviving child in a family in which—

(i) the father or mother or one or more siblings—

(I) served in the Armed Forces; and

(II) was killed, died as a result of wounds, accident, or disease, is in a captured or missing in action status, or is permanently 100 percent disabled or hospitalized on a continuing basis (and is not employed gainfully because of the disability or hospitalization); and

(ii) the death, status, or disability did not result from the intentional misconduct or willful neglect of the parent or sibling and was not incurred during a period of unauthorized absence.

(3)(A) If a member of the uniformed services dies or is retired or separated with a combat-related disability, the Secretary concerned—

(i) shall not require repayment by the member or the member's estate of the unearned portion of any bonus or similar benefit previously paid to the member; and

(ii) shall require the payment to the member or the member's estate of the remainder of any bonus or similar benefit that was not yet paid to the member, but to which the member was entitled immediately before the death, re-

tirement, or separation of the member, and would be paid if not for the death, retirement, or separation of the member.

(B) Subparagraph (A) does not apply if the death or disability of the member is the result of the member's misconduct.

(C) The amount to be paid under subparagraph (A)(ii) shall be equal to the full amount specified by the agreement or contract applicable to the bonus or similar benefit as if the member continued to be entitled to the bonus or similar benefit following the death, retirement, or separation.

(D) Amounts to be paid to a member or the member's estate under subparagraph (A)(ii) shall be paid in a lump sum not later than 90 days after the date of the death, retirement, or separation of the member, whichever applies.

(E) In this paragraph, the term “combat-related disability” has the meaning given that term in section 1413a(e) of title 10.

(4) An obligation to repay the United States under this subsection is, for all purposes, a debt owed the United States. A discharge in bankruptcy under title 11 does not discharge a person from such debt if the discharge order is entered less than five years after—

(A) the date of the termination of the agreement or contract on which the debt is based; or

(B) in the absence of such an agreement or contract, the date of the termination of the service on which the debt is based.

(5) In this subsection:

(A) The term “bonus or similar benefit” means a bonus, incentive pay, special pay, or similar payment, or an educational benefit or stipend, paid to a member of the uniformed services under a provision of law that refers to the repayment requirements of this subsection.

(B) The term “service”, as used in paragraph (4)(B), refers to an obligation willingly undertaken by a member of the uniformed services, in exchange for a bonus or similar benefit offered by the Secretary of Defense or the Secretary concerned—

(i) to remain on active duty or in an active status in a reserve component;

(ii) to perform duty in a specified skill, with or without a specified qualification or credential;

(iii) to perform duty at a specified location; or

(iv) to perform duty for a specified period of time.

305(b)	37:237a.	

In subsection (a), the words “Except as provided by subsection (b) of this section” are inserted for clarity. The words “is also . . . entitled” are substituted for the words “shall, in addition thereto . . . be entitled”. The words “any place outside the United States, or in Alaska or Hawaii” are substituted for the words “beyond the continental limits of the United States or in Alaska”, since, under the source statute, Hawaii was beyond the continental limits of the United States, and the United States, as defined in section 101(1) of this revised title, would otherwise include Alaska and Hawaii. This interpretation conforms to the opinion of the Comptroller General, B-138956, April 20, 1959 (38 Comp. Gen. 710).

In subsection (b), the words “Appropriation of” are substituted for the words “of the funds appropriated to”. The words “may not be paid” are substituted for the words “no part . . . shall be available for the payment”. The words “member of a uniformed service” are substituted for the words “person in the military service” to conform to subsection (a). The words “Puerto Rico” are inserted for clarity, since the source statute was applicable to that place. The words “Virgin Islands” are inserted, since that unincorporated territory is not covered by the word “possession”. The word “Territory” is omitted as obsolete.

(a)(1) The Secretary concerned may pay a bonus under paragraph (2) to a member of a uniformed service who—

(A) has completed at least 17 months of continuous active duty (other than for training) but not more than 20 years of active duty;

(B) is qualified in a military skill designated as critical by the Secretary of Defense, or by the Secretary of Homeland Security with respect to the Coast Guard when it is not operating as service in the Navy; and

(C) reenlists or voluntarily extends the member's enlistment for a period of at least three years—

(i) in a regular component of the service concerned; or

(ii) in a reserve component of the service concerned, if the member is performing active Guard and Reserve duty (as defined in section 101(d)(6) of title 10).

(2) The bonus to be paid under paragraph (1) may not exceed the lesser of the following amounts:

(A) The amount equal to the product of—

(i) 15 times the monthly rate of basic pay to which the member was entitled at the time of the discharge or release of the member; and

(ii) the number of years (or the monthly fractions thereof) of the term of reenlistment or extension of enlistment.

(B) \$90,000.

(3) Any portion of a term of reenlistment or extension of enlistment of a member that, when added to the total years of service of the member at the time of discharge or release, exceeds 24 years may not be used in computing a bonus under paragraph (2)(A).

(4) Notwithstanding paragraph (1)(B), a member who agrees to train and reenlist for service in a military skill which, at the time of that agreement, is designated as critical, may be paid the bonus approved for that skill, at the rate in effect at the time of agreement, upon completion of training and qualification in that skill, if otherwise qualified under this subsection and even if that skill is no longer designated as critical at the time the member becomes eligible for payment of the bonus.

(5) The Secretary of Defense may waive the eligibility requirement in paragraph (1)(B) in the case of a reenlistment or voluntary extension of enlistment by a member of the armed forces that is entered into as described in this subsection while the member is serving on ac-

tive duty in Afghanistan, Iraq, or Kuwait in support of Operation Enduring Freedom or Operation Iraqi Freedom.

(b) Bonus payments authorized under this section may be paid in either a lump sum or in installments. If the bonus is paid in installments, the initial payment shall be not less than 50 percent of the total bonus amount.

(c) For the purpose of computing the reenlistment bonus in the case of an officer with prior enlisted service who may be entitled to a bonus under subsection (a), the monthly basic pay of the grade in which he is enlisted, computed in accordance with his years of service computed under section 205 of this title, shall be used instead of the monthly basic pay to which he was entitled at the time of his release from active duty as an officer.

(d) A member who does not complete the term of enlistment for which a bonus was paid to the member under this section, or a member who is not technically qualified in the skill for which a bonus was paid to the member under this section, shall be subject to the repayment provisions of section 303a(e) of this title.

“(2) An obligation to repay the United States imposed under paragraph (1) or subsection (f)(4) is for all purposes a debt owed to the United States. A discharge in bankruptcy under title 11 that is entered for the member less than five years after the expiration of the certification period does not discharge the member from a debt arising under this paragraph. This paragraph applies to any case commenced under title 11 after the date of the enactment of this section.”

SAVINGS PROVISION

For savings provision relating to payment or repayment of any bonus, incentive pay, special pay, or similar pay obligated to be paid before Apr. 1, 2006, under a provision of this section amended by section 687(b) of Pub. L. 109-163, see section 687(f) of Pub. L. 109-163, set out as a note under section 510 of Title 10, Armed Forces.

§ 320. Incentive pay: career enlisted flyers

(a) **ELIGIBLE CAREER ENLISTED FLYER DEFINED.**—In this section, the term “eligible career enlisted flyer” means an enlisted member of the armed forces who—

(1) is entitled to basic pay under section 204 of this title, or is entitled to pay under section 206 of this title as described in subsection (e) of this section;

(2) holds an enlisted military occupational specialty or enlisted military rating designated as a career enlisted flyer specialty or rating by the Secretary concerned, performs duty as a dropsonde system operator, or is in training leading to qualification and designation of such a specialty or rating or the performance of such duty;

(3) is qualified for aviation service under regulations prescribed by the Secretary concerned; and

(4) satisfies the operational flying duty requirements applicable under subsection (c).

(b) **INCENTIVE PAY AUTHORIZED.**—(1) The Secretary concerned may pay monthly incentive pay to an eligible career enlisted flyer in an amount not to exceed the monthly maximum amounts specified in subsection (d). The incentive pay may be paid as continuous monthly incentive pay or on a month-to-month basis, dependent upon the operational flying duty performed by the eligible career enlisted flyer as prescribed in subsection (c).

(2) Continuous monthly incentive pay may not be paid to an eligible career enlisted flyer after the member completes 25 years of aviation service. Thereafter, an eligible career enlisted flyer may still receive incentive pay on a month-to-month basis under subsection (c)(4) for the frequent and regular performance of operational flying duty.

(c) **OPERATIONAL FLYING DUTY REQUIREMENTS.**—(1) An eligible career enlisted flyer must perform operational flying duties for 6 of the first 10, 9 of the first 15, and 14 of the first 20 years of aviation service, to be eligible for continuous monthly incentive pay under this section.

(2) Upon completion of 10, 15, or 20 years of aviation service, an enlisted member who has not performed the minimum required operational flying duties specified in paragraph (1) during the prescribed period, although otherwise meeting the definition in subsection (a), may no longer be paid continuous monthly incentive pay except as provided in paragraph (3). Payment of continuous monthly incentive pay may be resumed if the member meets the minimum operational flying duty requirement upon com-

pletion of the next established period of aviation service.

(3) For the needs of the service, the Secretary concerned may permit, on a case-by-case basis, a member to continue to receive continuous monthly incentive pay despite the member's failure to perform the operational flying duty required during the first 10, 15, or 20 years of aviation service, but only if the member otherwise meets the definition in subsection (a) and has performed at least 5 years of operational flying duties during the first 10 years of aviation service, 8 years of operational flying duties during the first 15 years of aviation service, or 12 years of operational flying duty during the first 20 years of aviation service. The authority of the Secretary concerned under this paragraph may not be delegated below the level of the Service Personnel Chief.

(4) If the eligibility of an eligible career enlisted flyer to continuous monthly incentive pay ceases under subsection (b)(2) or paragraph (2), the member may still receive month-to-month incentive pay for subsequent frequent and regular performance of operational flying duty. The rate payable is the same rate authorized by the Secretary concerned under subsection (d) for a member of corresponding years of aviation service.

(d) MONTHLY MAXIMUM RATES.—The monthly rate of any career enlisted flyer incentive pay paid under this section to a member on active duty shall be prescribed by the Secretary concerned, but may not exceed the following:

Years of aviation service	Monthly rate
4 or less	\$150
Over 4	\$225
Over 8	\$350
Over 14	\$400.

(e) ELIGIBILITY OF RESERVE COMPONENT MEMBERS WHEN PERFORMING INACTIVE DUTY TRAINING.—Under regulations prescribed by the Secretary concerned, when a member of a reserve component or the National Guard, who is entitled to compensation under section 206 of this title, meets the definition of eligible career enlisted flyer, the Secretary concerned may increase the member's compensation by an amount equal to $\frac{1}{30}$ of the monthly incentive pay authorized by the Secretary concerned under subsection (d) for a member of corresponding years of aviation service who is entitled to basic pay under section 204 of this title. The reserve component member may receive the increase for as long as the member is qualified for it, for each regular period of instruction or period of appropriate duty, at which the member is engaged for at least two hours, or for the performance of such other equivalent training, instruction, duty or appropriate duties, as the Secretary may prescribe under section 206(a) of this title.

(2) In the case of a member who performs a designated hazardous duty, as described in subsection (a)(2), hazardous duty pay may not exceed \$275 per month.

(i) may prorate the payment amount to reflect the duration of the member's actual qualifying service during the month; or

(ii) in the case of a member who is exposed to hostile fire or an explosion of a hostile explosive device in or for a day or portion of a day, may, at the election of the Secretary, pay the member hazardous duty pay in an amount not to exceed the entire amount of hazardous duty pay that would be payable to the member under such paragraph (1) for the month in which the duty concerned occurs (with the total amount of hazardous duty pay paid the member under this clause in any given month not to exceed such entire amount); and

(B) in the case of hazardous duty pay payable under paragraph (2) of subsection (a), the Secretary concerned—

(i) may prorate the payment amount to reflect the duration of the member's actual qualifying service during the month; and

(c) RELATIONSHIP TO OTHER COMPUTATIONS.—The amount of a bonus or incentive pay to which a member is entitled under subchapter II may not be included in computing the amount of—

§ 372. Continuation of pays during hospitalization and rehabilitation resulting from wounds, injury, or illness incurred while on duty in a hostile fire area or exposed to an event of hostile fire or other hostile action

(a) CONTINUATION OF PAYS.—If a member of a regular or reserve component of a uniformed service incurs a wound, injury, or illness in the line of duty while serving in a combat operation or a combat zone, while serving in a hostile fire area, or while exposed to a hostile fire event, as described under section 351 of this title, and is hospitalized for treatment of the wound, injury, or illness, the Secretary concerned may continue to pay to the member, notwithstanding any provision of this chapter to the contrary, all pay and allowances (including any bonus, incentive pay, or similar benefit) that were being paid to the member at the time the member incurred the wound, injury, or illness.

(b) DURATION.—The payment of pay and allowances to a member under subsection (a) may continue until the end of the first month beginning after the earliest of the following dates:

AMENDMENTS

2019—Subsec. (b)(1). Pub. L. 116–92 amended par. (1) generally. Prior to amendment, par. (1) read as follows: “The date on which the member is returned for assignment to other than a medical or patient unit for duty.”

§ 373. Repayment of unearned portion of bonus, incentive pay, or similar benefit, and termination of remaining payments, when conditions of payment not met

(a) REPAYMENT AND TERMINATION.—Except as provided in subsection (b), a member of the uniformed services who is paid a bonus, incentive pay, or similar benefit, the receipt of which is contingent upon the member’s satisfaction of certain service or eligibility requirements, shall repay to the United States any unearned portion of the bonus, incentive pay, or similar benefit if the member fails to satisfy any such service or eligibility requirement, and the member may not receive any unpaid amounts of the bonus, incentive pay, or similar benefit after the member fails to satisfy such service or eligibility requirement.

(b) EXCEPTIONS.—

(1) DISCRETION TO PROVIDE EXCEPTION TO TERMINATION AND REPAYMENT REQUIREMENTS.—Pursuant to the regulations prescribed to administer this section, the Secretary concerned may grant an exception to the repayment requirement and requirement to terminate the payment of unpaid amounts of a bonus, incentive pay, or similar benefit if the Secretary concerned determines that the imposition of the repayment and termination requirements with regard to a member of the uniformed services would be contrary to a personnel policy or management objective, would be against equity and good conscience, or would be contrary to the best interests of the United States.

(2) SPECIAL RULE FOR DECEASED AND DISABLED MEMBERS.—(A) If a member of the uniformed services dies or is retired or separated with a combat-related disability, the Secretary concerned—

- (i) shall not require repayment by the member or the member’s estate of the unearned portion of any bonus, incentive pay,

or similar benefit previously paid to the member; and

(ii) shall require the payment to the member or the member's estate of the remainder of any bonus, incentive pay, or similar benefit that was not yet paid to the member, but to which the member was entitled immediately before the death, retirement, or separation of the member, and would be paid if not for the death, retirement, or separation of the member.

(B) Subparagraph (A) does not apply if the death or disability of the member is the result of the member's misconduct.

(C) The amount to be paid under subparagraph (A)(ii) shall be equal to the full amount specified by the agreement or contract applicable to the bonus, incentive pay, or similar benefit as if the member continued to be entitled to the bonus, incentive pay, or similar benefit following the death, retirement, or separation.

(D) Amounts to be paid to a member or the member's estate under subparagraph (A)(ii) shall be paid in a lump sum not later than 90 days after the date of the death, retirement, or separation of the member, whichever applies.

(E) In this paragraph, the term "combat-related disability" has the meaning given that term in section 1413a(e) of title 10.

(3) SPECIAL RULE FOR MEMBERS WHO RECEIVE SOLE SURVIVORSHIP DISCHARGE.—(A) If a member of the uniformed services receives a sole survivorship discharge, the Secretary concerned—

(i) shall not require repayment by the member of the unearned portion of any bonus, incentive pay, or similar benefit previously paid to the member; and

(ii) may grant an exception to the requirement to terminate the payment of any unpaid amounts of a bonus, incentive pay, or similar benefit if the Secretary concerned determines that termination of the payment of the unpaid amounts would be contrary to a personnel policy or management objective, would be against equity and good conscience, or would be contrary to the best interests of the United States.

(B) In this paragraph, the term "sole survivorship discharge" means the separation of a member from the Armed Forces, at the request of the member, pursuant to the Department of Defense policy permitting the early separation of a member who is the only surviving child in a family in which—

(i) the father or mother or one or more siblings—

(I) served in the Armed Forces; and

(II) was killed, died as a result of wounds, accident, or disease, is in a captured or missing in action status, or is permanently 100 percent disabled or hospitalized on a continuing basis (and is not employed gainfully because of the disability or hospitalization); and

(ii) the death, status, or disability did not result from the intentional misconduct or willful neglect of the parent or sibling and

was not incurred during a period of unauthorized absence.

(c) EFFECT OF BANKRUPTCY.—An obligation to repay the United States under this section is, for all purposes, a debt owed the United States. A discharge in bankruptcy under title 11 does not discharge a person from such debt if the discharge order is entered less than five years after—

(1) the date of the termination of the agreement or contract on which the debt is based; or

(2) in the absence of such an agreement or contract, the date of the termination of the service on which the debt is based.

(d) DEFINITIONS.—In this section:

(1) The term "bonus, incentive pay, or similar benefit" means a bonus, incentive pay, special pay, or similar payment, or an educational benefit or stipend, paid to a member of the uniformed services under a provision of law that refers to the repayment requirements of this section or section 303a(e) of this title.

(2) The term "service", as used in subsection (c)(2), refers to an obligation willingly undertaken by a member of the uniformed services, in exchange for a bonus, incentive pay, or similar benefit offered by the Secretary concerned—

(A) to a member in a regular or reserve component who remains on active duty or in an active status;

(B) to perform duty in a specified skill, with or without a specified qualification or credential;

(C) to perform duty in a specified assignment, location or unit; or

(D) to perform duty for a specified period of time.

AMENDMENTS

1994—Subsec. (b)(1)(B). Pub. L. 103-337 substituted “placement agency (recognized by the Secretary of Defense) in anticipation of the legal adoption of the child by the member” for “placement agency for the purpose of adoption”.

1993—Subsec. (a)(4). Pub. L. 103-160 added par. (4).

1991—Pub. L. 102-190 amended text generally. Prior to amendment, text read as follows: “In this chapter, the term ‘dependent’, with respect to a member of a uniformed service, means—

“(1) his spouse;

“(2) his unmarried child (including any of the following categories of children if such child is in fact dependent on the member: a stepchild; an adopted child; or an illegitimate child whose alleged member-father has been judicially decreed to be the father of the child or judicially ordered to contribute to the child’s support, or whose parentage has been admitted in writing by the member) who either—

“(A) is under 21 years of age; or

“(B) is incapable of self-support because of a mental or physical incapacity, and in fact dependent on the member for over one-half of his support; and

“(3) his parent (including a stepparent or parent by adoption, and any person, including a former stepparent, who has stood in loco parentis to the member at any time for a continuous period of at least five years before the member became 21 years of age) who is in fact dependent on the member for over one-half of his support; however, the dependency of such a parent is determined on the basis of an affidavit submitted by the parent, and any other evidence required under regulations prescribed by the Secretary concerned, and he is not considered a dependent of the member claiming the dependence unless—

“(A) the member has provided over one-half of his support for the period prescribed by the Secretary concerned; or

“(B) due to changed circumstances arising after the member enters on active duty, he becomes in fact dependent on the member for over one-half of his support.

For the purposes of this section, the relationship between a stepparent and his stepchild is terminated by the stepparent’s divorce from the parent by blood.”

1987—Pub. L. 100-26 inserted “the term” after “In this chapter,”.

1973—Cl. (2). Pub. L. 93-64, § 103(1), in revising cl. (1) of first sentence, substituted “unmarried child” for “unmarried legitimate child” and defined dependent to include an illegitimate child whose alleged member-father has been judicially decreed to be the father of the child or judicially ordered to contribute to the child’s support, or whose parentage has been admitted in writing by the member.

Cl. (3). Pub. L. 93-64, § 104, in revising cl. (3) of first sentence, substituted “five years before the member became 21 years” for “five years before he became 21 years”, struck out requirement of actual residence of parent in the member’s household, and inserted provision respecting determination of dependency of parent, including items (A) and (B), formerly contained in former section 2201 of Appendix to Title 50, War and National Defense.

Closing text. Pub. L. 93-64, § 103(2), struck out second sentence, following cl. (3) of first sentence, stating that a person is not a dependent of a female member unless he is in fact dependent on her for over one-half of his support.

§ 402a. Supplemental subsistence allowance for low-income members with dependents

(a) **SUPPLEMENTAL ALLOWANCE REQUIRED.**—(1) The Secretary concerned shall increase the basic allowance for subsistence to which a member of the armed forces described in subsection (b) is otherwise entitled under section 402 of this title by an amount (in this section referred to as the "supplemental subsistence allowance") designed to remove the member's household from eligibility for benefits under the supplemental nutrition assistance program.

(2) The supplemental subsistence allowance may not exceed \$1,100 per month. In establishing the amount of the supplemental subsistence allowance to be paid an eligible member under this paragraph, the Secretary shall take into consideration the amount of the basic allowance for housing that the member receives under section 403 of this title or would otherwise receive under such section, in the case of a member who is not entitled to that allowance as a result of assignment to quarters of the United States or a housing facility under the jurisdiction of a uniformed service.

(3) In the case of a member described in subsection (b) who establishes to the satisfaction of the Secretary concerned that the allotment of the member's household under the supplemental nutrition assistance program, calculated in the absence of the supplemental subsistence allowance, would exceed the amount established by the Secretary concerned under paragraph (2), the amount of the supplemental subsistence allowance for the member shall be equal to the lesser of the following:

- (A) The value of that allotment.
- (B) \$1,100.

(b) **MEMBERS ENTITLED TO ALLOWANCE.**—(1) Subject to subsection (d) and paragraph (4), a member of the armed forces with dependents is entitled to receive the supplemental subsistence allowance if the Secretary concerned determines that the member's income, together with the income of the rest of the member's household (if

any), is within the highest income standard of eligibility, as then in effect under section 5(c) of the Food and Nutrition Act of 2008 (7 U.S.C. 2014(c)) and without regard to paragraph (1) of such section, for participation in the supplemental nutrition assistance program.

(2) In determining whether a member meets the eligibility criteria under paragraph (1), the Secretary concerned shall take into consideration the amount of the basic allowance for housing that the member receives under section 403 of this title or would otherwise receive under such section, in the case of a member who is not entitled to that allowance as a result of assignment to quarters of the United States or a housing facility under the jurisdiction of a uniformed service.

(3) In determining whether a member meets the eligibility criteria under paragraph (1), the Secretary concerned shall not take into consideration—

(A) the amount of the supplemental subsistence allowance that is payable under this section;

(B) the amount of any special pay that is payable to the member under section 310 or 351 of this title, relating to duty subject to hostile fire or imminent danger; or

(C) the amount of any family separation allowance that is payable to the member under section 427 of this title.

(4) After September 30, 2016, a member is eligible for a supplemental subsistence allowance under this section only if the member is serving outside the United States, the Commonwealth of Puerto Rico, the United States Virgin Islands, or Guam.

(c) **APPLICATION FOR ALLOWANCE.**—To request the supplemental subsistence allowance, a member shall submit an application to the Secretary concerned in such form and containing such information as the Secretary concerned may prescribe. A member applying for the supplemental subsistence allowance shall furnish such evidence regarding the member's satisfaction of the eligibility criteria under subsection (b) as the Secretary concerned may require.

(d) **EFFECTIVE PERIOD.**—The entitlement of a member to receive the supplemental subsistence allowance terminates upon the occurrence of any of the following events, even though the member continues to meet the eligibility criteria described in subsection (b):

(1) Payment of the supplemental subsistence allowance for 12 consecutive months.

(2) Promotion of the member to a higher grade.

(3) Transfer of the member in a permanent change of station.

(e) **REAPPLICATION.**—Upon the termination of the effective period of the supplemental subsistence allowance for a member, or in anticipation of the imminent termination of the allowance, a member may reapply for the allowance under subsection (c), and the Secretary concerned shall approve the application and resume payment of the allowance to the member, if the member continues to meet, or once again meets, the eligibility criteria described in subsection (b).

(f) ELIGIBILITY FOR OTHER FEDERAL ASSISTANCE.—(1) A child or spouse of a member of the armed forces receiving the supplemental subsistence allowance under this section who, except on account of the receipt of such allowance, would be eligible to receive a benefit described in paragraph (2) shall be considered to be eligible for that benefit notwithstanding the receipt of such allowance.

(2) The benefits referred to in paragraph (1) are as follows:

(A) Assistance provided under the Richard B. Russell National School Lunch Act (42 U.S.C. 1751 et seq.).

§ 403. Basic allowance for housing

(a) **GENERAL ENTITLEMENT.**—(1) Except as otherwise provided by law, a member of a uniformed service who is entitled to basic pay is entitled to a basic allowance for housing at the monthly rates prescribed under this section or another provision of law with regard to the applicable component of the basic allowance for housing. The amount of the basic allowance for housing for a member will vary according to the pay grade in which the member is assigned or distributed for basic pay purposes, the dependency status of the member, and the geographic location of the member. The basic allowance for housing may be paid in advance.

(2) A member of a uniformed service with dependents is not entitled to a basic allowance for housing as a member with dependents unless the member makes a certification to the Secretary concerned indicating the status of each dependent of the member. The certification shall be

made in accordance with regulations prescribed by the Secretary of Defense.

(b) **BASIC ALLOWANCE FOR HOUSING INSIDE THE UNITED STATES.**—(1) The Secretary of Defense shall prescribe the rates of the basic allowance for housing that are applicable for the various military housing areas in the United States. The rates for an area shall be based on the costs of adequate housing determined for the area under paragraph (2).

(2) The Secretary of Defense shall determine the costs of adequate housing in a military housing area in the United States for all members of the uniformed services entitled to a basic allowance for housing in that area. The Secretary shall base the determination upon the costs of adequate housing for civilians with comparable income levels in the same area. After June 30, 2001, the Secretary may not differentiate between members with dependents in pay grades E-1 through E-4 in determining what constitutes adequate housing for members.

(3)(A) The monthly amount of the basic allowance for housing for an area of the United States for a member of a uniformed service shall be the amount equal to the difference between—

(i) the amount of the monthly cost of adequate housing in that area, as determined by the Secretary of Defense, for members of the uniformed services serving in the same pay grade and with the same dependency status as the member; and

(ii) the amount equal to a specified percentage (determined under subparagraph (B)) of the national average monthly cost of adequate housing in the United States, as determined by the Secretary, for members of the uniformed services serving in the same pay grade and with the same dependency status as the member.

(B) The percentage to be used for purposes of subparagraph (A)(ii) shall be determined by the Secretary of Defense and may not exceed the following:

(i) One percent for months occurring during 2015.

(ii) Two percent for months occurring during 2016.

(iii) Three percent for months occurring during 2017.

(iv) Four percent for months occurring during 2018.

(v) Five percent for months occurring after 2018.

(4) An adjustment in the rates of the basic allowance for housing under this subsection as a result of the Secretary’s redetermination of housing costs in an area shall take effect on the same date as the effective date of the next increase in basic pay under section 1009 of this title or other provision of law.

(5) On and after July 1, 2001, the Secretary of Defense shall establish a single monthly rate for members of the uniformed services with dependents in pay grades E-1 through E-4 in the same military housing area. The rate shall be consistent with the rates paid to members in pay grades other than pay grades E-1 through E-4.

(6) So long as a member of a uniformed service retains uninterrupted eligibility to receive a

basic allowance for housing within an area of the United States, the monthly amount of the allowance for the member may not be reduced as a result of changes in housing costs in the area or the promotion of the member.

(7)(A) Under the authority of this paragraph, the Secretary of Defense may prescribe a temporary increase in the rates of basic allowance for housing otherwise prescribed for a military housing area or a portion of a military housing area if the military housing area or portion thereof—

(i) is located in an area covered by a declaration by the President under section 401 of the Robert T. Stafford Disaster Relief and Emergency Assistance Act (42 U.S.C. 5170) that a major disaster exists; or

(ii) contains one or more military installations that are experiencing a sudden increase in the number of members of the armed forces assigned to the installation.

(B) The Secretary of Defense shall base the amount of the increase to be made in the rates of basic allowance for housing for an area on a determination by the Secretary of the amount by which the costs of adequate housing for civilians have increased in the area by reason of the disaster or the influx of military personnel, except that the increase may not exceed the amount equal to 20 percent of the rate of basic allowance for housing otherwise prescribed for the area.

(C) A member may be paid a basic allowance for housing at a rate increased under this paragraph only if the member certifies to the Secretary concerned that the member has incurred increased housing costs in the area by reason of the disaster or the influx of military personnel.

(D) Subject to subparagraph (E), an increase in the rates of basic allowance for housing in an area under this paragraph shall remain in effect until the effective date of the first adjustment in rates of basic allowance for housing made for the area pursuant to a redetermination of housing costs in the area under this subsection that occurs after the date of the increase under this paragraph.

(E) An increase in the rates of basic allowance for housing for an area may not be prescribed under this paragraph or continue after December 31, 2025.

(8)(A) The Secretary of Defense may prescribe a temporary adjustment in the current rates of basic allowance for housing for a military housing area or a portion thereof (in this paragraph, “BAH rates”) if the Secretary determines that the actual costs of adequate housing for civilians in that military housing area or portion thereof differs from the current BAH rates by more than 20 percent.

(B) Any temporary adjustment in BAH rates under this paragraph shall remain in effect only until the effective date of the first adjustment of BAH rates for the affected military housing area that occurs after the date of the adjustment under this paragraph.

(C) This paragraph shall cease to be effective on December 31, 2025.

(c) BASIC ALLOWANCE FOR HOUSING OUTSIDE THE UNITED STATES.—(1) The Secretary of De-

fense may prescribe an overseas basic allowance for housing for a member of a uniformed service who is on duty outside of the United States. The Secretary shall establish the basic allowance for housing under this subsection on the basis of housing costs in the overseas area in which the member is assigned.

(2) So long as a member of a uniformed service retains uninterrupted eligibility to receive a basic allowance for housing in an overseas area and the actual monthly cost of housing for the member is not reduced, the monthly amount of the allowance in an area outside the United States may not be reduced as a result of changes in housing costs in the area or the promotion of the member. The monthly amount of the allowance may be adjusted to reflect changes in currency rates.

(3)(A) In the case of a member of the uniformed services authorized to receive an allowance under paragraph (1), the Secretary concerned may make a lump-sum payment to the member for required deposits and advance rent, and for expenses relating thereto, that are—

(i) incurred by the member in occupying private housing outside of the United States; and

(ii) authorized or approved under regulations prescribed by the Secretary concerned.

(B) Expenses for which a member may be reimbursed under this paragraph may include losses relating to housing that are sustained by the member as a result of fluctuations in the relative value of the currencies of the United States and the foreign country in which the housing is located.

(C) The Secretary concerned shall recoup the full amount of any deposit or advance rent payments made by the Secretary under subparagraph (A), including any gain resulting from currency fluctuations between the time of payment and the time of recoupment.

(d) BASIC ALLOWANCE FOR HOUSING WHEN DEPENDENTS DO NOT ACCOMPANY MEMBER.—(1) A member of a uniformed service with dependents who is on permanent duty at a location described in paragraph (2) may be paid a family separation basic allowance for housing under this subsection at a monthly rate equal to the rate of the basic allowance for housing established under subsection (b) or the overseas basic allowance for housing established under subsection (c), whichever applies to that location, for members in the same grade at that location without dependents.

(2) A permanent duty location referred to in paragraph (1) is a location—

(A) to which the movement of the member's dependents is not authorized at the expense of the United States under section 452 of this title, and the member's dependents do not reside at or near the location; and

(B) at which quarters of the United States are not available for assignment to the member.

(3) If a member with dependents is assigned to duty in an area that is different from the area in which the member's dependents reside, the member is entitled to a basic allowance for housing as provided in subsection (b) or (c),

whichever applies to the member, subject to the following:

(A) If the member's assignment to duty in that area, or the circumstances of that assignment, require the member's dependents to reside in a different area, as determined by the Secretary concerned, the amount of the basic allowance for housing for the member shall be based on the area in which the dependents reside or the member's last duty station, whichever the Secretary concerned determines to be most equitable.

(B) If the member's assignment to duty in that area is under the conditions of a low-cost or no-cost permanent change of station or permanent change of assignment, the amount of the basic allowance for housing for the member shall be based on the member's last duty station if the Secretary concerned determines that it would be inequitable to base the allowance on the cost of housing in the area to which the member is reassigned.

(C) If the member is reassigned for a permanent change of station or permanent change of assignment from a duty station in the United States to another duty station in the United States for a period of not more than one year for the purpose of participating in professional military education or training classes, the amount of the basic allowance for housing for the member may be based on whichever of the following areas the Secretary concerned determines will provide the more equitable basis for the allowance:

(i) The area of the duty station to which the member is reassigned.

(ii) The area in which the dependents reside, but only if the dependents reside in that area when the member departs for the duty station to which the member is reassigned and only for the period during which the dependents reside in that area.

(iii) The area of the former duty station of the member, if different than the area in which the dependents reside.

(4) A family separation basic allowance for housing paid to a member under this subsection is in addition to any other allowance or per diem that the member receives under this title. A member may receive a basic allowance for housing under both paragraphs (1) and (3).

(e) EFFECT OF ASSIGNMENT TO QUARTERS.—(1) Except as otherwise provided by law, a member of a uniformed service who is assigned to quarters of the United States or a housing facility under the jurisdiction of a uniformed service appropriate to the grade, rank, or rating of the member and adequate for the member and dependents of the member, if with dependents, is not entitled to a basic allowance for housing.

(2) A member without dependents who is in a pay grade above pay grade E-6 and who is assigned to quarters in the United States or a housing facility under the jurisdiction of a uniformed service, appropriate to the grade or rank of the member and adequate for the member, may elect not to occupy those quarters and instead to receive the basic allowance for housing prescribed for the member's pay grade by this section.

(3) A member without dependents who is in pay grade E-6 and who is assigned to quarters of the United States that do not meet the minimum adequacy standards established by the Secretary of Defense for members in such pay grade, or to a housing facility under the jurisdiction of a uniformed service that does not meet such standards, may elect not to occupy such quarters or facility and instead to receive the basic allowance for housing prescribed for the member's pay grade under this section.

(4) The Secretary concerned may deny the right to make an election under paragraph (2) or (3) if the Secretary determines that the exercise of such an election would adversely affect a training mission, military discipline, or military readiness.

(5) A member with dependents who is assigned to quarters of the United States or a housing facility under the jurisdiction of a uniformed service may be paid the basic allowance for housing if, because of orders of competent authority, the dependents are prevented from occupying those quarters.

(f) INELIGIBILITY DURING INITIAL FIELD DUTY OR SEA DUTY.—(1) A member of a uniformed service without dependents who makes a permanent change of station for assignment to a unit conducting field operations is not entitled to a basic allowance for housing while on that initial field duty unless the commanding officer of the member certifies that the member was necessarily required to procure quarters at the member's expense.

(2)(A) Except as provided in subparagraphs (B) and (C), a member of a uniformed service without dependents who is in a pay grade below pay grade E-6 is not entitled to a basic allowance for housing while the member is on sea duty.

(B) Under regulations prescribed by the Secretary concerned, the Secretary may authorize the payment of a basic allowance for housing to a member of a uniformed service without dependents who is serving in a pay grade below E-6 and is assigned to sea duty. In prescribing regulations under this subparagraph, the Secretary concerned shall consider the availability of quarters.

(C) Notwithstanding section 421 of this title, a member of a uniformed service in a pay grade below pay grade E-6 who is assigned to sea duty and is married to another member of a uniformed service is entitled to a basic allowance for housing subject to the limitations of subsection (e).

(3) The Secretary of Defense, and the Secretary of Homeland Security with respect to the Coast Guard when it is not operating as a service in the Department of the Navy, shall prescribe regulations defining the terms "field duty" and "sea duty" for purposes of this section.

(g) RESERVE MEMBERS.—(1) A member of a reserve component without dependents who is called or ordered to active duty to attend accession training, in support of a contingency operation, or for a period of more than 30 days, or a retired member without dependents who is ordered to active duty under section 688(a) of title 10 in support of a contingency operation or for a

period of more than 30 days, may not be denied a basic allowance for housing if, because of that call or order, the member is unable to continue to occupy a residence—

(A) which is maintained as the primary residence of the member at the time of the call or order; and

(B) which is owned by the member or for which the member is responsible for rental payments.

(2) The Secretary concerned may provide a basic allowance for housing to a member described in paragraph (1) at a monthly rate equal to the rate of the basic allowance for housing established under subsection (b) or the overseas basic allowance for housing established under subsection (c), whichever applies to the location at which the member is serving, for members in the same grade at that location without dependents. The member may receive both a basic allowance for housing under paragraph (1) and under this paragraph for the same month, but may not receive the portion of the allowance authorized under section 452 of this title, if any, for lodging expenses if a basic allowance for housing is provided under this paragraph.

(3) Except in the case of a member of a reserve component without dependents who is called or ordered to active duty to attend training for at least 140 days but fewer than 365 days, paragraphs (1) and (2) shall not apply if the member is authorized transportation of household goods under section 453(c) of this title as part of the call or order to active duty described in such paragraph.

(4) The rate of basic allowance for housing to be paid to the following members of a reserve component shall be equal to the rate in effect for similarly situated members of a regular component of the uniformed services:

(A) A member who is called or ordered to active duty for a period of more than 30 days.

(B) A member who is called or ordered to active duty for a period of 30 days or less in support of a contingency operation.

(5) The Secretary of Defense shall establish a rate of basic allowance for housing to be paid to a member of a reserve component while the member serves on active duty under a call or order to active duty specifying a period of 30 days or less, unless the call or order to active duty is in support of a contingency operation.

(6)(A) This paragraph applies with respect to a member of a reserve component who performs active Guard and Reserve duty (as defined in section 101(d)(6) of title 10).

(B) The rate of basic allowance for housing to be paid to a member described in subparagraph (A) shall be based on the member's permanent duty station, even during instances in which the member is mobilized for service on active duty other than active Guard and Reserve duty.

(C)(i) During transitions in service status from active Guard and Reserve duty to other active duty and back to active Guard and Reserve duty, or following the start of new periods of service resulting from a change in orders, a member described in subparagraph (A) shall be considered as retaining uninterrupted eligibility

to receive a basic allowance for housing in an area as provided for under subsections (b)(6) and (c)(2) so long as the member remains on active duty without a break in service.

(ii) Clause (i) does not apply if the member's permanent duty station changes as a result of orders directing a permanent change in station with the authority for the movement of household goods.

(iii) For purposes of clause (i), a break in active service occurs when one or more calendar days between active service periods do not qualify as active service.

(D) Subsections (d)(3) and (o) also apply to a member described in subparagraph (A).

(h) RENTAL OF PUBLIC QUARTERS.—Notwithstanding any other law (including those restricting the occupancy of housing facilities under the jurisdiction of a department or agency of the United States by members, and their dependents, of the armed forces above specified grades, or by members, and their dependents, of the National Oceanic and Atmospheric Administration and the Public Health Service), a member of a uniformed service, and the dependents of the member, may be accepted as tenants in, and may occupy on a rental basis, any of those housing facilities, other than public quarters constructed or designated for assignment to an occupancy without charge by such a member and the dependents of the member, if any. Such a member may not, because of occupancy under this subsection, be deprived of any money allowance to which the member is otherwise entitled for the rental of quarters.

(i) TEMPORARY HOUSING ALLOWANCE WHILE IN TRAVEL OR LEAVE STATUS.—A member of a uniformed service is entitled to a temporary basic allowance for housing (at a rate determined by the Secretary of Defense) while the member is in a travel or leave status between permanent duty stations, including time granted as delay en route or proceed time, when the member is not assigned to quarters of the United States.

(j) AVIATION CADETS.—The eligibility of an aviation cadet of the Navy, Air Force, Marine Corps, or Coast Guard for a basic allowance for housing shall be determined as if the aviation cadet were a member of the uniformed services in pay grade E-4.

(k) ADMINISTRATION.—(1) The Secretary of Defense shall prescribe regulations for the administration of this section.

(2) The Secretary concerned may make such determinations as may be necessary to administer this section, including determinations of dependency and relationship. When warranted by the circumstances, the Secretary concerned may reconsider and change or modify any such determination. The authority of the Secretary concerned under this subsection may be delegated. Any determination made under this section with regard to a member of the uniformed services is final and is not subject to review by any accounting officer of the United States or a court, unless there is fraud or gross negligence.

(3) Parking facilities (including utility connections) provided members of the uniformed services for house trailers and mobile homes not owned by the Government shall not be consid-

ered to be quarters for the purposes of this section or any other provision of law. Any fees established by the Government for the use of such a facility shall be established in an amount sufficient to cover the cost of maintenance, services, and utilities and to amortize the cost of construction of the facility over the 25-year period beginning with the completion of such construction.

(l) TEMPORARY CONTINUATION OF ALLOWANCE FOR DEPENDENTS OF MEMBERS DYING ON ACTIVE DUTY.—(1) The Secretary of Defense, or the Secretary of Homeland Security in the case of the Coast Guard when not operating as a service in the Navy, may allow the dependents of a member of the armed forces who dies on active duty and whose dependents are occupying family housing provided by the Department of Defense, or by the Department of Homeland Security in the case of the Coast Guard, other than on a rental basis on the date of the member's death to continue to occupy such housing without charge for a period of 365 days.

(2) The Secretary concerned may pay a basic allowance for housing (at the rate that is payable for members of the same grade and dependency status as the deceased member for the area where the dependents are residing) to the dependents of a member of the uniformed services who dies while on active duty and whose dependents—

(A) are not occupying a housing facility under the jurisdiction of a uniformed service on the date of the member's death;

(B) are occupying such housing on a rental basis on such date; or

(C) vacate such housing sooner than 365 days after the date of the member's death.

(3) An allowance may be paid under paragraph (2) to the spouse of the deceased member even though the spouse is also a member of the uniformed services. The allowance paid under such paragraph is in addition to any other pay and allowances to which the spouse is entitled as a member.

(4) The payment of the allowance under paragraph (2) shall terminate 365 days after the date of the member's death.

(m) TEMPORARY CONTINUATION OF RATE OF BASIC ALLOWANCE FOR MEMBERS OF THE ARMED FORCES WHOSE SOLE DEPENDENT DIES WHILE RESIDING WITH THE MEMBER.—(1) Notwithstanding subsection (a)(2) or any other section of law, the Secretary of Defense or the Secretary of the Department in which the Coast Guard is operating, may, after the death of the sole dependent of a member of the armed forces, continue to pay a basic allowance for housing to such member at the rate paid to such member on the date of such death if—

(A) such sole dependent dies—

(i) while the member is on active duty; and
(ii) while residing with the member, unless separated by the necessity of military service or to receive institutional care as a result of disability or incapacitation or under such other circumstances as the Secretary concerned may by regulation prescribe; and

(B) the member is not occupying a housing facility under the jurisdiction of the Secretary

concerned on the date of the death of the sole dependent.

(2) The continuation of the rate of an allowance under this subsection shall terminate upon the earlier of the following to occur:

(A) The day that is one year after the date of the death of the sole dependent.

(B) The permanent change of station, or permanent change of assignment with movement of personal property and household goods under section 453(c) of this title, of the member.

(n) MEMBERS PAYING CHILD SUPPORT.—(1) A member of a uniformed service with dependents may not be paid a basic allowance for housing at the with dependents rate solely by reason of the payment of child support by the member if—

(A) the member is assigned to a housing facility under the jurisdiction of a uniformed service; or

(B) the member is assigned to sea duty, and elects not to occupy assigned quarters for unaccompanied personnel, unless the member is in a pay grade above E-3.

(2) A member of a uniformed service assigned to quarters of the United States or a housing facility under the jurisdiction of a uniformed service who is not otherwise authorized a basic allowance for housing and who pays child support is entitled to the basic allowance for housing differential, except for months for which the amount payable for the child support is less than the rate of the differential. Payment of a basic allowance for housing differential does not affect any entitlement of the member to a partial allowance for quarters under subsection (n).

(3) The basic allowance for housing differential to which a member is entitled under paragraph (2) is the amount equal to the difference between—

(A) the rate of the basic allowance for quarters (with dependents) for the member's pay grade, as such rate was in effect on December 31, 1997, under this section (as in effect on that date); and

(B) the rate of the basic allowance for quarters (without dependents) for the member's pay grade, as such rate was in effect on December 31, 1997, under this section (as in effect on that date).

(4) Whenever the rates of basic pay for members of the uniformed services are increased, the monthly amount of the basic allowance for housing differential computed under paragraph (3) shall be increased by the average percentage increase in the rates of basic pay. The effective date of the increase shall be the same date as the effective date of the increase in the rates of basic pay.

(5) In the case of two members, who have one or more common dependents (and no others), who are not married to each other, and one of whom pays child support to the other, the amount of the basic allowance for housing paid to each member under this section shall be reduced in accordance with regulations prescribed by the Secretary of Defense. The total amount of the basic allowances for housing paid to the

two members may not exceed the sum of the amounts of the allowance to which each member would be otherwise entitled under this section.

(o) PARTIAL ALLOWANCE FOR MEMBERS WITHOUT DEPENDENTS.—(1) A member of a uniformed service without dependents who is not entitled to receive a basic allowance for housing under subsection (b), (c), or (d) is entitled to a partial basic allowance for housing at a rate determined by the Secretary of Defense under paragraph (2).

(2) The rate of the partial basic allowance for housing is the partial rate of the basic allowance for quarters for the member's pay grade as such partial rate was in effect on December 31, 1997, under section 1009(c)(2) of this title (as such section was in effect on such date).

(p) TREATMENT OF CERTAIN MOVES AS NOT BEING REASSIGNMENTS.—(1) In the case of a member who is assigned to duty at a location or under circumstances that make it necessary for the member to be reassigned under the conditions of low-cost or no-cost permanent change of station or permanent change of assignment, the member may be treated for the purposes of this section as if the member were not reassigned if the Secretary concerned determines that it would be inequitable to base the member's entitlement to, and amount of, a basic allowance for housing on the cost of housing in the area to which the member is reassigned.

(2)(A) In the case of a member without dependents who is assigned to a unit that undergoes a change of home port or a change of permanent duty station, if the Secretary concerned determines that it would be inequitable to base the member's entitlement to, and amount of, a basic allowance for housing on the new home port or permanent duty station, the Secretary concerned may—

(i) waive the requirement to base the member's entitlement to, and amount of, a basic allowance for housing on the new home port or permanent duty station member; and

(ii) treat that member for the purposes of this section as if the unit to which the member is assigned did not undergo such a change.

(B) The Secretary concerned may grant a waiver under subparagraph (A) to not more than 100 members in a calendar year.

(C) Not later than March 1 of each calendar year, the Secretary concerned shall provide a briefing to the Committees on Armed Services of the Senate and the House of Representatives on the use of the authority provided by subparagraph (A) during the preceding calendar year that includes—

(i) the number of members granted a waiver under subparagraph (A) during that year; and

(ii) for each such waiver, an identification of—

(I) the grade of the member;

(II) the home port or permanent duty station of the unit to which the member is assigned before the change described in subparagraph (A); and

(III) the new home port or permanent duty station of that unit.

(D) This paragraph shall cease to be effective on December 31, 2027.

(q) INFORMATION ON RIGHTS AND PROTECTIONS UNDER SERVICEMEMBERS CIVIL RELIEF ACT.—The Secretary concerned shall provide to each member of a uniformed service who receives a basic allowance for housing under this section information on the rights and protections available to such member under the Servicemembers Civil Relief Act (50 U.S.C. 3901 et seq.)—

(1) when such member first receives such basic allowance for housing; and

(2) each time such member receives a permanent change of station.

EFFECTIVE DATE

Pub. L. 115–91, div. A, title VI, §604(b), Dec. 12, 2017, 131 Stat. 1420, provided that: “The amendments made by this section [enacting this section] shall take effect on October 1, 2018.”

§ 403b. Cost-of-living allowance in the continental United States

(a) PAYMENT AUTHORIZED.—The Secretary concerned may pay a cost-of-living allowance to the eligible members of a uniformed service under the jurisdiction of the Secretary.

(b) ELIGIBLE MEMBERS.—The following members are eligible to receive a cost-of-living allowance under this section:

- (1) A member assigned to a high cost area in the continental United States.
- (2) A member assigned to an unaccompanied tour of duty outside the continental United States if the primary dependent of the mem-

ber resides in a high cost area in the continental United States.

(3) A member assigned to duty in the continental United States if the Secretary of the uniformed service concerned determines that—

(A) the primary dependent of the member must reside in a high cost area in the continental United States by reason of the member’s duty location or other circumstances; and

(B) it would be inequitable for the member’s eligibility for the allowance to be determined on the basis of the duty location of the member.

(c) HIGH COST AREA DEFINED.—An area is a high cost area for a fiscal year for purposes of this section if the uniformed services cost of living for that area for the base period exceeds the average cost of living in the continental United States for such base period by at least the threshold percentage. The Secretary of Defense, in consultation with the other administering Secretaries, shall establish the threshold percentage, except that the threshold percentage may not be less than 5 percent. The administering Secretaries may prescribe a higher threshold percentage to be applied for a fiscal year when it is necessary to do so in order to ensure that the total amount of the payments of the cost-of-living allowance made to members of the uniformed services under this section for such fiscal year does not exceed the total amount available to all uniformed services for that fiscal year for paying such allowance.

(d) AMOUNT OF ALLOWANCE.—The cost-of-living allowance that may be paid to a member for a high cost area for a fiscal year shall be the amount that is equal to the product of—

(1) the amount of the average spendable income determined applicable for the regular military compensation level of such member under subsection (g); and

(2) the percentage equal to the excess of—

(A) the percentage by which the uniformed services cost of living for the member’s high cost area for the base period exceeds the average cost of living in the continental United States for such base period, over

(B) the threshold percentage applicable to such fiscal year under subsection (c).

(e) LIMITATION TO ONE ALLOWANCE.—If primary dependents of a member reside separately in different high cost areas—

(1) the member may be paid only one cost-of-living allowance under this section; and

(2) the cost-of-living allowance payable to the member shall be the highest of the amounts computed under this section for such high cost areas.

(f) SERVICE NOT COVERED.—(1) A cost-of-living allowance may not be paid a member under this section for the days authorized for travel of the member in connection with a permanent change of duty station.

(2) A member of a reserve component is not eligible for a cost-of-living allowance under this section unless the member is on active duty under a call or order to active duty that—

(A) specifies a period of 140 days or more; or
(B) states that the call or order to active duty is in support of a contingency operation.

(g) **AVERAGE SPENDABLE INCOME.**—The Secretary of Defense shall determine, using a methodology and assumptions that the Secretary considers appropriate, the amounts of average spendable income of members of the uniformed services for various ranges of regular military compensation. For purposes of this subsection, spendable income is the total amount of regular military compensation that is available for purchase of goods and services after allocation of amounts for taxes, insurance, housing, gifts and contributions, and savings.

(h) **JOINT REGULATIONS.**—The Secretary of Defense and the other administering Secretaries shall jointly prescribe regulations to carry out this section.

(i) **OTHER DEFINITIONS.**—In this section:

(1) The term “primary dependent”, with respect to a member, means—

(A) the member’s spouse; or

(B) in the case of an unmarried member, a dependent described in paragraph (2) or (4) of section 401(a) of this title.

(2) The term “cost of living” means a price index selected by the Secretary of Defense, in consultation with the other administering Secretaries, from among the following indices:

(A) The Consumer Price Index (all items—United States city average) published monthly by the Bureau of Labor Statistics.

(B) Any other index developed in the private sector that the Secretary of Defense, in consultation with the other administering Secretaries, determines is comparable to the Consumer Price Index and is appropriate for use for purposes of this section.

(3) The term “uniformed services cost of living” means the price index selected as described in paragraph (2) and adjusted as the Secretary of Defense, in consultation with the other administering Secretaries, considers appropriate to reflect variations between expenses of members of the uniformed services (as offset by the basic allowance for subsistence) and the corresponding expenses of persons not members of the uniformed services with regard to the following:

(A) Nonhousing costs (including costs of transportation, goods, and services, taking into consideration savings attributable to use of such military facilities as commissary stores and exchange stores).

(B) Average income tax paid.

(C) Cost of health care.

(4) The term “base period”, with respect to a fiscal year, means the 12-month period ending on June 30 of the year in which such fiscal year begins.

(5) The term “administering Secretaries” means the following:

(A) The Secretary of Defense, with respect to the armed forces (other than the Coast Guard when it is not operating as a service in the Navy).

(B) The Secretary of Homeland Security, with respect to the Coast Guard when it is not operating as a service in the Navy.

(C) The Secretary of Commerce, with respect to the National Oceanic and Atmospheric Administration.

(D) The Secretary of Health and Human Services, with respect to the Public Health Service.

HISTORICAL AND REVISION NOTES—Continued

Revised section	Source (U.S. Code)	Source (Statutes at Large)
	[Uncodified.]	Aug. 7, 1947, ch. 512, § 302(f), 61 Stat. 830.

In subsection (a), the words “Subject to subsections (b) and (c) of this section,” are inserted for clarity. The words “of an armed force” are inserted, since the source section, as originally enacted, did not apply to the Public Health Service or the Coast and Geodetic Survey. (See section 243 of the Armed Forces Reserve Act of 1952 (66 Stat. 492).) The words “of the Army, or the Air Force, without specification of component” are inserted to reflect the definition of “reserve component” in section 102(k) of the source statute. That definition is executed throughout this revised title. For that reason, the words “but not as a member of the Army without specification of component or the Air Force without specification of component, in section 255(a)(2) of existing title 37”, are omitted, and since those categories are excluded by the words “member of a reserve component”. The words “of a reserve component”, in section 255(a)(3) of existing title 37, are omitted, since the Ready Reserve cannot be in anything other than a reserve component.

In subsection (b), the words “heretofore or hereafter” are omitted as surplusage.

In subsection (c), the words “An officer” are substituted for the words “any individual”, since the revised section applies only to officers.

In subsection (d), the words “who is in pay grade O-1, O-2, or O-3” are substituted for the words “is receiving the pay of the junior assistant, assistant, or senior assistant grade” to reflect current terminology. (See chapter 3 of this revised title.) The last sentence is substituted for section 214 (words following semicolon) of title 14.

In subsection (e), the words “as a temporary officer” are inserted for clarity. The words “5596 or” are substituted for section 302(f) of the Act of August 7, 1947, cited above.

EFFECTIVE DATE OF 1968 AMENDMENT

Amendment by Pub. L. 90-623 intended to restate without substantive change the law in effect on Oct. 22, 1968, see section 6 of Pub. L. 90-623, set out as a note under section 5334 of Title 5, Government Organization and Employees.

§ 418. Clothing allowance: enlisted members

(a) The Secretary of Defense and the Secretary of Homeland Security, with respect to the Coast Guard when it is not operating as a service in the Navy, may prescribe the quantity and kind of clothing to be furnished annually to an enlisted member of the armed forces or the National Guard, and may prescribe the amount of a cash allowance to be paid to such a member if clothing is not so furnished to him.

(b) In determining the quantity and kind of clothing or allowances to be furnished pursuant to regulations prescribed under this section to persons employed as National Guard technicians under section 709 of title 32, the Secretary of Defense shall take into account the requirement under subsection (b) of such section for such persons to wear a uniform.

(c) A uniform allowance may not be paid, and uniforms may not be furnished, under section 1593 of title 10 or section 5901 of title 5 to a person referred to in subsection (b) for a period of employment referred to in that subsection for which clothing is furnished or a uniform allowance is paid under this section.

(d)(1) In the case of athletic footwear needed by members of the Army, Navy, Air Force, Marine Corps, or Space Force upon their initial entry into the armed forces, the Secretary of Defense shall furnish such footwear directly to the members instead of providing a cash allowance to the members for the purchase of such footwear.

(2) In procuring athletic footwear to comply with paragraph (1), the Secretary of Defense shall—

(A) procure athletic footwear that complies with the requirements of section 4862 of title 10, without regard to the applicability of any simplified acquisition threshold under chapter 137 legacy provisions (as such term is defined in section 3016 of title 10) (or any other provision of law); and

(B) procure additional athletic footwear, for two years following the date of the enactment

of the National Defense Authorization Act for Fiscal Year 2017, that is necessary to provide a member described in paragraph (1) with sufficient choices in athletic shoes so as to minimize the incidence of athletic injuries and potential unnecessary harm and risk to the safety and well-being of members in initial entry training.

(3) This subsection does not prohibit the provision of a cash allowance to a member described in paragraph (1) for the purchase of athletic footwear if such footwear—

(A) is medically required to meet unique physiological needs of the member; and

(B) cannot be met with athletic footwear that complies with the requirements of this subsection.

(4) This subsection does not apply to the furnishing of athletic footwear to members of the Army, the Navy, the Air Force, the Marine Corps, or the Space Force upon their initial entry into the armed forces, or prohibit the provision of a cash allowance to such members for such purpose, if the Secretary of Defense determines that compliance with paragraph (2) would result in a sole source contract for procurement of athletic footwear for the purpose stated in paragraph (1) because there would be only a sole certified source of supply for such footwear.

(5) The Secretary of Defense shall ensure that all procurements of athletic footwear to which this subsection applies are made using firm fixed price contracts.

[§ 426. Repealed. Pub. L. 90-377, § 10, July 5, 1968, 82 Stat. 288]

Section, Pub. L. 87-649, Sept. 7, 1962, 76 Stat. 480, provided for payment to persons confined in a naval confinement facility under sentence of a court-martial of not more than \$3 a month for necessary expenses, such payments to be made from appropriations for pay of Navy or Marine Corps.

§ 427. Family separation allowance

(a) **ENTITLEMENT TO ALLOWANCE.**—(1) In addition to any allowance or per diem to which he otherwise may be entitled under this title a member of a uniformed service with dependents is entitled to a monthly allowance of not less than \$250, and not more than \$400, if—

(A) the movement of his dependents to his permanent station or a place near that station is not authorized at the expense of the United States under section 452 of this title and his dependents do not reside at or near that station;

(B) he is on duty on board a ship away from the home port of the ship (or under orders to remain on board the ship while at the home port) for a continuous period of more than 30 days; or

(C) he is on temporary duty away from his permanent station for a continuous period of more than 30 days and his dependents do not reside at or near his temporary duty station.

(2) A member who becomes entitled to an allowance under this subsection by virtue of duty prescribed in subparagraph (B) or (C) of paragraph (1) for a continuous period of more than 30 days is entitled to the allowance effective as of the earlier of—

(A) the first day of that period; or

(B) the first day the member ceased being entitled to a previous allowance under this subsection by reason of the end of duty prescribed in such subparagraphs, if the member ceased being entitled to the previous allowance within 30 days before the first day of that period.

(b) **ENTITLEMENT WHEN NO RESIDENCE OR HOUSEHOLD MAINTAINED FOR DEPENDENTS.**—An allowance is payable under subsection (a) even though the member does not maintain for his primary dependents who would otherwise normally reside with him, a residence or household, subject to his management and control, which he is likely to share with them as a common household when his duty assignment permits.

(c) **EFFECT OF ELECTION TO SERVE UNACCOMPANIED TOUR OF DUTY.**—(1) Except as provided in paragraph (2) or (3), a member who elects to serve a tour of duty unaccompanied by his dependents at a permanent station to which the movement of his dependents is authorized at the expense of the United States under section 452 of this title is not entitled to an allowance under subsection (a)(1)(A).

(2) The prohibition in the first sentence of paragraph (1) does not apply to a member who elects to serve an unaccompanied tour of duty

because a dependent cannot accompany the member to or at that permanent station for certified medical reasons.

(3) The Secretary concerned may waive paragraph (1) in situations in which it would be inequitable to deny the allowance to the member because of unusual family or operational circumstances.

(d) **ENTITLEMENT WHILE SPOUSE ENTITLED TO BASIC PAY.**—(1) A member married to another member of the uniformed services becomes entitled, regardless of any other dependency status, to an allowance under subsection (a) by virtue of duty prescribed in subparagraph (A), (B), or (C) of paragraph (1) of such subsection if the members were residing together immediately before being separated by reasons of execution of military orders.

(2) If a married couple, both of whom are members of the uniformed services, with dependents are simultaneously assigned to duties described in subparagraph (A), (B), or (C) of subsection (a)(1) and the members resided together with their dependents immediately before their assignments, the Secretary concerned shall pay each of the members the full amount of the monthly allowance specified in such subsection until one of the members is no longer assigned to duties described in such subparagraphs. Upon expiration of the additional allowance, paragraph (1) shall continue to apply to the remaining member so long as the member is assigned to duties described in subparagraph (A), (B), or (C) of such subsection.

(3) Section 421 of this title does not apply to bar the entitlement to an allowance under this section. Except as provided in paragraph (2), not more than one monthly allowance may be paid with respect to a married couple under this section.

who has accrued leave to the member's credit at the time of the member's discharge, is entitled to be paid in cash or by a check on the Treasurer of the United States for such leave on the basis of the basic pay to which the member was entitled on the date of discharge.

(2) Payment may not be made under this subsection to a member who is discharged for the purpose of accepting an appointment or a warrant in any uniformed service.

(3) Payment may not be made to a member for any leave he elects to have carried over to a new enlistment in any uniformed service on the day after the date of his discharge; but payment may be made to a member for any leave he elects not to carry over to a new enlistment. However, the number of days of leave for which payment is made may not exceed sixty, less the number of days for which payment was previously made under this section after February 9, 1976.

(4) A member to whom a payment may not be made under this subsection, or a member who reverts from officer to enlisted status, carries the accrued leave standing to his credit from the one status to the other within any uniformed service.

(5) The limitation in the second sentence of paragraph (3) and in subsection (f) shall not apply with respect to leave accrued—

(A) by a member of a reserve component while serving on active duty in support of a contingency operation;

(B) by a member of the armed forces in the Retired Reserve while serving on active duty in support of a contingency operation;

(C) by a retired member of the Regular Army, Regular Navy, Regular Air Force, Regular Marine Corps, or Regular Space Force or a member of the Fleet Reserve or Fleet Marine Corps Reserve while the member is serving on active duty in support of a contingency operation; or

(D) by a member of a reserve component while serving on active duty, full-time National Guard duty, or active duty for training for a period of more than 30 days but not in excess of 365 days.

(6) An enlisted member of the armed forces who would lose accumulated leave in excess of 90 days of leave under section 701(e) of title 10 may elect to be paid in cash or by a check on the Treasurer of the United States for any leave in excess so accumulated for up to 30 days of such leave. A member may make an election under this paragraph only once.

(c) Unused accrued leave for which payment is made under subsection (b) is not considered as service for any purpose.

(d)(1) Payments for unused accrued leave under subsections (b) and (g), in the case of a member who dies while on active duty or in the case of a member or former member who dies after retirement or discharge and before he receives that payment, shall be made in accordance with section 2771 of title 10. In the case of a member who dies while on active duty, payment for unused accrued leave under subsections (b) and (g) shall be based upon the unused ac-

crued leave the member carried forward into the leave year during which he died plus the unused leave that accrued to him during that leave year.

(2) The limitations in the second sentence of subsection (b)(3), subsection (f), and the second sentence of subsection (g) shall not apply with respect to a payment made under this subsection.

(e)(1) A member of the Army, Navy, Air Force, Marine Corps, Space Force, Coast Guard, or National Oceanic and Atmospheric Administration who is discharged under other than honorable conditions forfeits all accrued leave to his credit at the time of his discharge.

(2) The Secretary concerned may require that a member of a uniformed service who is discharged before completing six months of active duty because of a failure to serve satisfactorily (as determined by the Secretary concerned) forfeit all accrued leave to his credit at the time of his discharge.

(f) The number of days upon which payment under subsection (b) or (g) is based may not exceed sixty, less the number of days for which payment has been previously made under such subsections after February 9, 1976. For the purposes of this subsection, the number of days upon which payment may be based shall be determined without regard to any break in service or change in status in the uniformed services.

(g) An officer of the Regular Corps of the Public Health Service, or an officer of the Reserve Corps¹ of the Public Health Service on active duty, who is credited with accumulated and accrued annual leave on the date of his separation, retirement, or release from active duty, shall, if his application for that leave is approved by the Secretary of Health and Human Services, be paid for that leave in a lump-sum on the basis of his basic pay, subsistence allowance, and allowance for quarters whether or not he is receiving that allowance on that date. However, the number of days upon which the lump-sum payment is based is subject to subsection (f). A lump-sum payment may not be made under this subsection to an officer—

(1) whose appointment expires or is terminated and who, without a break in active service, accepts a new appointment;

(2) who is retired for age in time of war and is continued on, or recalled to, active duty without a break in active service; or

(3) who is transferred to another department or agency of the United States under circumstances in which, by any other law, his leave may be transferred.

In this subsection, the term "accumulated annual leave" means unused accrued annual leave carried forward from one leave year into the next leave year, and the term "accrued annual leave" means the annual leave accruing to an officer during one leave year.

(h) Payment shall be made for all leave accumulated under section 701(f) of title 10 as soon as possible after the name of the person concerned is removed from a missing status, as defined in section 551(2) of this title.

§ 502. Absences due to sickness, wounds, and certain other causes

(a) A member of the Army, Navy, Air Force, Marine Corps, Space Force, Coast Guard, or National Oceanic and Atmospheric Administration, who is absent because of sickness or wounds, or who is directed by the Secretary concerned, or the Secretary's designated representative, to be absent from duty to await orders pending disability retirement proceedings for a period that is longer than the leave authorized by section 701 of title 10, is entitled to the pay and allowances to which the member would be entitled if the member were not so absent. A member who is absent with leave for any other reason for not longer than the leave authorized by that section is entitled to the same pay and allowances to which the member would be entitled if the member were not on leave, and to any additional allowances otherwise provided by law for members on leave.

(b) Except as provided in subsection (a) and section 701(g) of title 10, a member who is authorized by the Secretary concerned, or the Secretary's designated representative, to be absent for a period that is longer than the leave authorized by section 701 of title 10 is not entitled to pay or allowances during the part of the member's absence that is more than the number of days' leave authorized by that section. Nothing in this subsection may be construed to deprive a member, detailed or assigned by the Secretary concerned as a full-time student at a civilian institution to pursue a program of education that is substantially the same as a program of education offered to civilians, of pay or allowances to which such member is entitled.

EFFECTIVE DATE OF 1997 AMENDMENT

Amendment by Pub. L. 105-85 effective Jan. 1, 1998, see section 603(e) of Pub. L. 105-85, set out as a note

under section 5561 of Title 5, Government Organization and Employees.

§ 552. Pay and allowances; continuance while in a missing status; limitations

(a) A member of a uniformed service who is on active duty or performing inactive-duty training, and who is in a missing status, is—

(1) for the period he is in that status, entitled to receive or have credited to his account the same pay and allowances, as defined in this chapter, to which he was entitled at the beginning of that period or may thereafter become entitled; and

(2) for the period, not to exceed one year, required for his hospitalization and rehabilitation after termination of that status, under regulations prescribed by the Secretaries concerned, with respect to incentive pay, considered to have satisfied the requirements of section 301 or section 351(a)(2) of this title so as to entitle him to a continuance of that pay.

However, a member who is performing full-time training duty or other full-time duty without pay, or inactive-duty training with or without pay, is entitled to the pay and allowances to which he would have been entitled if he had been on active duty with pay. Notwithstanding section 1523 of title 10 or any other provision of law, the promotion of a member while he is in a missing status is fully effective for all purposes.

(b) The expiration of a member's term of service while he is in a missing status does not end his entitlement to pay and allowances under subsection (a). Notwithstanding the death of a member while in a missing status, entitlement to pay and allowances under subsection (a) ends on the date—

(1) the Secretary concerned receives evidence that the member is dead; or

(2) that his death is prescribed or determined under section 555 of this title or under chapter 76 of title 10.

(c) A member is not entitled to pay and allowances under subsection (a) for a period during which he is officially determined to be absent from his post of duty without authority, and he is indebted to the United States for payments from amounts credited to his account for that period.

(d) A member who is performing full-time training duty or inactive-duty training is entitled to the benefits of this section only when he is officially determined to be in a missing status that results from the performance of duties prescribed by competent authority.

(e) A member in a missing status who is continued in that status under section 555 of this title or under chapter 76 of title 10 is entitled to be credited with pay and allowances under subsection (a).

§ 556. Secretarial determinations

(a) The Secretary concerned, or his designee, may make any determination necessary to administer this chapter and, when so made, it is conclusive as to—

- (1) death or finding of death;
- (2) the fact of dependency under this chapter;

(3) the fact of dependency for the purpose of paying six months' death gratuities authorized by law;

(4) the fact of dependency under any other law authorizing the payment of pay, allowances, or other emoluments to enlisted members of the armed forces, when the payments are contingent on dependency;

(5) any other status covered by this chapter;

(6) an essential date, including one on which evidence or information is received by the Secretary concerned; and

(7) whether information received concerning a member of a uniformed service is to be construed and acted on as an official report of death.

Paragraphs (1), (5), (6), and (7) only apply with respect to a case to which section 555 of this title applies.

(b) When the Secretary concerned, in a case to which section 555 of this title applies, receives information that he considers establishes conclusively the death of a member of a uniformed service, he shall, notwithstanding any earlier action relating to death or other status of the member, act on it as an official report of death. After the end of the 12-month period in a missing status prescribed by section 555 of this title, the Secretary concerned, or his designee, shall, when he considers that the information received, or a lapse of time without information, establishes a reasonable presumption that a member in a missing status is dead, make a finding of death.

(c) The Secretary concerned, or his designee, may determine the entitlement of a member to pay and allowances under this chapter, including credits and charges in his account, and that determination is conclusive. An account may not be charged or debited with an amount that a member captured, beleaguered, or besieged by a hostile force may receive or be entitled to receive from, or have placed to his credit by, the hostile force as pay, allowances, or other compensation.

(d) The Secretary concerned, or his designee, may, when warranted by the circumstances, reconsider a determination made under this chapter, and change or modify it.

(e) When the account of a member has been charged or debited with an allotment paid under this chapter, the amount so charged or debited shall be recredited to the account of the member if the Secretary concerned, or his designee, determines that the payment was induced by fraud or misrepresentation to which the member was not a party.

(f) Except an allotment for an unearned insurance premium, an allotment paid from pay and allowances of a member for the period he is entitled to pay and allowances under section 552 of this title may not be collected from the allottee as an overpayment when it was caused by delay in receiving evidence of death. An allotment payment for a period after the end of entitlement to pay and allowances under this chapter, or otherwise, which was caused by delay in receiving evidence of death, may not be collected from the allottee or charged against the pay of the deceased member.

(g) The Secretary concerned, or his designee, may waive the recovery of an erroneous payment or overpayment of an allotment to a dependent if he considers recovery is against equity and good conscience.

(h) For the sole purpose of determining pay under this section, a dependent of a member of a uniformed service on active duty is treated as if he were a member. Any determination made by the Secretary concerned, or his designee, under this section in a case to which section 555 of this title applies is conclusive on all other departments and agencies of the United States. This subsection does not entitle a dependent to pay, allowances, or other compensation to which he is not otherwise entitled.

Subsec. (b). Pub. L. 104-106, § 569(c)(4)(B), inserted “, in a case to which section 555 of this title applies,” after “When the Secretary concerned”.

Subsec. (h). Pub. L. 104-106, § 569(c)(4)(C), substituted “determining pay” for “determining status” and inserted “in a case to which section 555 of this title applies” after “designee, under this section”.

§ 557. Settlement of accounts

(a) The Secretary concerned, or his designee, may settle the account of—

(1) a member of a uniformed service for whose account payments have been made

under sections 552, 553, and 555 of this title; and

(2) a survivor of a casualty to a ship, station, or military installation which results in the loss or destruction of disbursing records.

That settlement is conclusive on the accounting officers of the United States in settling the accounts of disbursing officers.

(b) Payment or settlement of an account made pursuant to a report, determination, or finding of death may not be recovered or reopened because of a later report or determination which fixes a date of death. However, an account shall be reopened and settled on the basis of a date of death so fixed which is later than that used as a basis for earlier settlements.

(c) In the settlement of his accounts, a disbursing officer is entitled, if there is no fraud or criminality by him, to credit for an erroneous payment or overpayment he made in carrying out this chapter, except section 558 of this title. Unless there is fraud or criminality by him, recovery may not be made from a civilian officer or employee or a member of a uniformed service who authorizes a payment under this chapter, except section 558 of this title.

§ 558. Income tax deferment

Notwithstanding any other provision of law, a Federal income tax return of, or the payment of a Federal income tax by, a member of a uniformed service who, at the time the return or payment would otherwise become due, is in a

missing status, does not become due until the earlier of the following dates—

(2) the fifteenth day of the third month after the month in which an executor, administrator, or conservator of the estate of the taxpayer is appointed.

That due date is prescribed subject to the power of the Secretary of the Treasury or his delegate to extend the time for filing the return or paying the tax, as in other cases, and to assess and collect the tax as provided by sections 6851, 6861, and 6871 of the Internal Revenue Code of 1986 in cases in which the assessment or collection is jeopardized and in cases of bankruptcy or receivership.

§ 559. Benefits for members held as captives

(a) In this section:

(1) The term “captive status” means a missing status of a member of the uniformed services which, as determined by the President, arises because of a hostile action and is a result of membership in the uniformed services, but does not include a period of captivity of a member as a prisoner of war if Congress provides to such member, in an Act enacted after August 27, 1986, monetary payment in respect of such period of captivity.

(2) The term “former captive” means a person who, as a member of the uniformed services, was held in a captive status.

(b)(1) The Secretary of the Treasury shall establish a savings fund to which the Secretary concerned may allot all or any portion of the pay and allowances of any member of the uniformed services who is in a captive status to the extent that such pay and allowances are not subject to an allotment under section 553 of this title or any other provision of law.

(2) Amounts so allotted shall bear interest at a rate which, for any calendar quarter, shall be equal to the average rate paid on United States Treasury bills with three-month maturities issued during the preceding calendar quarter. Such interest shall be computed quarterly.

(3) Amounts in the savings fund credited to a member shall be considered as pay and allowances for purposes of section 553(c) of this title and shall otherwise be subject to withdrawal under procedures which the Secretary of the Treasury shall establish.

(4) Any interest accruing under this subsection on—

(A) any amount for which a member is indebted to the United States under section 552(c) of this title shall be deemed to be part of the amount due under such section; and

(B) any amount referred to in section 556(f) of this title shall be deemed to be part of such amount for purposes of such section.

(5) An allotment under this subsection may be made without regard to section 553(c) of this title.

(c)(1) Except as provided in paragraph (3), the President shall make a cash payment to any person who is a former captive. Such payment shall be made before the end of the one-year period beginning on the date on which the captive status of such person terminates.

(2) Except as provided in section 802 of the Victims of Terrorism Compensation Act (5 U.S.C. 5569 note), the amount of such payment shall be determined by the President under the provisions of section 5569(d)(2) of title 5.

(3)(A) The President—

(i) may defer such payment in the case of any former captive who during such one-year period is charged with an offense described in clause (ii), until final disposition of such charge; and

(ii) may deny such payment in the case of any former captive who is convicted of a captivity-related offense—

(I) referred to in subsection (b) or (c) of section 8312 of title 5; or

(II) under chapter 47 of title 10 (the Uniform Code of Military Justice) that is punishable by dishonorable discharge, dismissal, or confinement for one year or more.

(B) For the purposes of subparagraph (A), a captivity-related offense is an offense that is—

(i) committed by a person while the person is in a captive status; and

(ii) related to the captive status of the person.

(4) A payment under this subsection is in addition to any other amount provided by law.

(5) Any amount due a person under this subsection shall, after the death of such person, be deemed to be pay and allowances for the purposes of this chapter.

(6) Any payment made under paragraph (1) that is later denied under paragraph (3)(A)(ii) is a claim of the United States Government for purposes of section 3711 of title 31.

(d) A determination by the President under subsection (a)(1) or (c) is final and is not subject to judicial review.

§ 601. Applicability

This chapter applies to—

(1) members of a uniformed service who are on active duty (other than for training) or who are on a retired list of that service; and

(2) members of the Fleet Reserve or Fleet Marine Corps Reserve.

(Pub. L. 87-649, Sept. 7, 1962, 76 Stat. 483.)

601	37:351.	June 21, 1950, ch. 342, §1, 64 Stat. 249.

The words “on active duty (other than for training)” are substituted for the words “on the active . . . list” to conform to longstanding administrative construction, and because there is no “active list” in the case of many of the uniformed services named, but only for certain regular component of those services, e.g., the “Regular Army” and the “Regular Air Force”. The words “a retired list of that service” are substituted for the words “retired list”, since there is more than one retired list for many of the services named. (See sections 1376, 3966, and 8966 of title 10, for example.) The words “members of the Reserve components of the respective services entitled to Federal pay either on the active or any retired list of said services” are omitted as covered by clause (1), since members of the reserve components are members of the uniformed services concerned. The word “transferred” is omitted as surplusage.

§ 602. Payments: designation of person to receive amounts due

(a) Active duty pay and allowances, amounts due for accrued or accumulated leave, or retired or retainer pay, that are otherwise payable to a member to whom this chapter applies and who is mentally incapable of managing his affairs, may be paid for that member’s use or benefit to—

(1) a legal committee, guardian, or other representative that has been appointed by a court of competent jurisdiction;

(2) an individual to whom the member has granted authority to manage such funds pursuant to a valid and legally executed durable power of attorney; or

(3) any person designated by the Secretary concerned, or by any officer to whom he delegates his authority under this section, without

the appointment in judicial proceedings of a committee, guardian, or other legal representative.

(b) An individual may not be designated under subsection (a)(3) to receive payments unless a board consisting of at least three qualified medical officers or physicians, one of whom is specially qualified in the treatment of mental disorders, determines that the member is mentally incapable of managing the member's affairs. Any such board shall be appointed from available medical officers or physicians under his jurisdiction by the head of whichever of the following is providing medical treatment for the member, or by a person designated by that head—

- (1) Department of the Army;
- (2) Department of the Navy;
- (3) Department of the Air Force;
- (4) Department of Health and Human Services; or
- (5) Department of Veterans Affairs.

If the hospitalization or medical care of the member is not provided by the United States, the board shall be appointed by the Secretary of the department having jurisdiction of the member.

(c) A payment made to a person who is authorized to receive payments under this section discharges the obligation of the United States as to the amount paid.

(d) A person serving in a legal, medical, fiduciary, or other capacity, may not demand or accept a fee, commission, or other charge for any service performed under this chapter, unless a court of competent jurisdiction orders payment of such fee, commission, or other charge.

(e) A person who is designated under subsection (a)(3) to receive payments under this section shall furnish satisfactory assurance that the amounts received by him will be applied to the use and benefit of the incompetent member, and, where the payments may reasonably be expected to be more than \$25,000, shall provide a suitable bond to be paid for out of amounts due the incompetent member.

901	37:235a.	Apr. 26, 1898, ch. 191, §7 (less last proviso), 30 Stat. 365.

Applicability of the source law to the Air Force is based on Transfer Order No. 25(zzzz), of the Secretary of Defense, dated October 14, 1948. Its applicability, other than to the Army and the Air Force, is based upon an opinion of the Judge Advocate General of the Navy, JAG 135: DDC; dmt.; 4229, dated July 29, 1960. The words “(but not above that of pay grade O-7)” are substituted for section 235a (proviso) of existing title 37.

§ 902. Pay of crews of wrecked or lost naval vessels

(a) When the accounts of the disbursing officer of a naval vessel are lost as a result of the destruction of the vessel, his return for the last month may, unless there is official evidence to the contrary, be used in computing later credits to and settling accounts of persons, other than officers, carried on his accounts. If the return for the last month has not been made, the pay accounts may be settled on principles of equity and justice.

(b) When a naval vessel is lost or has not been heard from for so long that her loss may be presumed, the Secretary of the Navy may fix the date of loss of the vessel for the purpose of settling the accounts of persons aboard other than officers.

(c) When the crew of a naval vessel is separated from that vessel because of her wreck, loss, or destruction, the pay and emoluments of those officers and enlisted members that the Secretary considers (because of the sentence of a court-martial or the finding of a court of inquiry, or by other satisfactory evidence) to have done their utmost to save the vessel and, after the wreck, loss, or destruction, to have behaved themselves according to the discipline of the Navy, continue and shall be paid to them until their discharge or death, whichever is earlier.

§ 1006. Advance payments

(a) Under regulations prescribed by the Secretary concerned, a member of a uniformed service may be paid in advance—

(1) not more than three months’ pay of such member upon such member’s change of permanent station; or

(2) the amount of an allotment made from such member’s pay to a dependent if such member is assigned or scheduled for assignment to sea duty or other duty with a unit or command deployed or to be deployed outside the United States and the allotment is made by such member not more than sixty days before the scheduled date of the assignment of such member to such duty.

(b) Under regulations prescribed by the Secretary concerned, a member of a uniformed service who is on duty at a distant station where the pay and emoluments to which he is entitled cannot be disbursed regularly, may be paid in advance.

(c) Under regulations prescribed by the Secretary concerned, an advance of pay to a member of a uniformed service who is on duty outside the United States, or other place designated by the Secretary of Defense, of not more than two months’ basic pay may be made to a member if the member or the dependents of the member are ordered evacuated by competent authority. An advance of pay under this subsection is not subject to the conditions under which advances of pay may be made under subsection (a) or (b). An advance may be made on the basis of the evacuation of a member’s dependents only if all dependents of members of the uniformed services are ordered evacuated from the place where the member’s dependents are located. In the case of a member with dependents, the payment may be made directly to dependents previously designated by the member. The Secretary concerned or his designee may waive any right of recovery of not more than one month’s basic pay advanced under this subsection if he finds that recovery of the advance would be against equity and good conscience or against the public interest.

(d) If a person to whom an advance of pay is made under subsection (a), (b), or (c) dies or is separated from his uniformed service, before liquidation of that advance, the amount remaining unliquidated at the time of his death or separation shall be credited to the account of the disbursing officer concerned. However, the unliquidated amount remains a debt of that person or his estate to the United States.

(e)(1) As far as practicable, regulations for the administration of subsections (a)–(d) shall be uniform for all of the uniformed services.

(2)(A) Notwithstanding any other provision of law, an obligation for an advance of pay made

pursuant to this section shall be recorded as an obligation only in the fiscal year in which the entitlement of the member to the pay accrues.

(B) Current appropriations available for advance payments under this section may be transferred to the prior fiscal year appropriation available for the same purpose in the amount of any unliquidated advance payments that remain at the end of such prior fiscal year. Such unliquidated advance payments shall then be credited to the current appropriation.

(f) Under regulations prescribed by the Secretary of Homeland Security, an advance of pay of not more than three months' pay may be made to an officer of the Coast Guard who is ordered to sea duty or to or from shore duty beyond the seas. In addition, the Commandant of the Coast Guard may direct such advances as he considers necessary and proper to members of the Coast Guard stationed at distant stations where the pay and emoluments to which they are entitled cannot be paid regularly.

(g) Under regulations prescribed by the Secretary concerned, the dislocation allowance authorized by section 452(c)(2) of this title for a member of a uniformed service whose dependents are covered by section 452(b)(11) of this title may be paid in advance of the evacuation of the dependents and to the dependents designated by the member.

(h) Notwithstanding subsections (a) and (b) of section 3324 of title 31, the Secretary concerned may, when the last day of the pay period falls on a Saturday, Sunday, or legal holiday, authorize the payment of pay and allowances to members of uniformed service under his jurisdiction on the preceding workday but not more than three days before the last day of that pay period. If a member dies after he has received an advance payment under this subsection, but before the last day of the pay period for which the payment is made, no part of the amount so advance is recoverable by the United States.

(i) Under regulations prescribed by the Secretary concerned, not more than one month's pay may be paid in advance to a member of the Armed Forces Health Professions Scholarship program upon reporting for a period of active duty required by section 2121(c) of title 10.

(j) Under regulations prescribed by the Secretary concerned, not more than one month's pay may be paid in advance to a member of the Senior Reserve Officers' Training Corps who is ordered to field training or a practice required under section 2109 of title 10.

(a) The pay of an officer of an armed force may be withheld, under section 5512 of title 5, only for an indebtedness to the United States admitted by the officer or shown by the judgment of a court, or upon a special order issued in the discretion of the Secretary of Defense (or the Secretary of Homeland Security, in the case of an officer of the Coast Guard when the Coast Guard is not operating as a service in the Navy), or upon the denial of relief of an officer pursuant to section 3527 of title 31.

(b) An amount due to the United States from an enlisted member of the Army, the Air Force, or the Space Force for articles sold to the member on credit under section 4621(a)(1) or 9621(a)(1) of title 10, as the case may be, shall be deducted from the next pay due the member after the sale is reported.

(c)(1) Under regulations prescribed by the Secretary concerned, an amount that a member of the uniformed services is administratively determined to owe the United States or any of its instrumentalities may be deducted from the member's pay in monthly installments.

(2) After the deduction of pay forfeited by the sentence of a court-martial, if any, or otherwise authorized by law to be withheld, the deductions authorized by this section may not reduce the pay actually received by a member of the uniformed services for any month to less than one-third of the member's pay for that month.

(3)(A) If the indebtedness of a member of the uniformed services to the United States is due to the overpayment of pay or allowances to the member through no fault of the member, the amount of the overpayment shall be recovered in monthly installments. The amount deducted from the pay of the member for a month to recover the overpayment amount may not exceed 15 percent of the member's pay for that month unless the member requests or consents to collection of the overpayment at an accelerated rate.

(B) In all cases described in subparagraph (A), the Secretary concerned shall provide a reasonable opportunity for the member to request a delay in the imposition of the repayment requirement to recover the indebtedness. Before beginning collection efforts, the Secretary concerned shall consider the reasons provided by the member for the requested delay, including the financial ability of the member to repay the indebtedness, and the hardship that immediate collection would impose on the member and the member's dependents.

(C)(i) In accordance with clause (ii), if the indebtedness of a member of the uniformed services to the United States occurs, through no fault of the member, as a result of the overpayment of pay or allowances to the member or upon the settlement of the member's accounts, the Secretary concerned may not recover the indebtedness from the member, including a retired or former member, using deductions from the pay of the member, deductions from retired or separation pay, or any other collection method

unless recovery of the indebtedness commences before the end of the 10-year period beginning on the date on which the indebtedness was incurred.

(ii) Clause (i) applies with respect to indebtedness incurred on or after the date of the enactment of the National Defense Authorization Act for Fiscal Year 2017.

(D)(i) Not later than January 1 of each of 2017 through 2027, the Director of the Defense Finance and Accounting Service shall review all cases occurring during the 10-year period prior to the date of the review of indebtedness of a member of the uniformed services, including a retired or former member, to the United States in which—

(I) the recovery of the indebtedness commenced after the end of the 10-year period beginning on the date on which the indebtedness was incurred; or

(II) the Director did not otherwise notify the member of such indebtedness during such 10-year period.

(ii) The Director shall submit to the congressional defense committees and the Committees on Veterans' Affairs of the House of Representatives and the Senate each review conducted under clause (i), including the amounts owed to the United States by the members included in such review.

(4)(A) If a member of the uniformed services, through no fault of the member, incurs a wound, injury, or illness while in the line of duty in a combat operation or combat zone designated by the President or the Secretary of Defense, any overpayment of pay or allowances made to the member while the member recovers from the wound, injury, or illness may not be deducted from the member's pay until—

(i) the member is notified of the overpayment; and

(ii) the later of the following occurs:

(I) The end of the 180-day period beginning on the date of the completion of the tour of duty of the member in the combat operation or combat zone.

(II) The end of the 90-day period beginning on the date of the reassignment of the member from a military treatment facility or other medical unit outside of the theater of operations.

(B) Subparagraph (A) shall not apply if the member, after receiving notification of the overpayment, requests or consents to initiation at an earlier date of the collection of the overpayment of the pay or allowances.

(d) Subject to subsection (c), an amount due the United States from an enlisted member of the Army, the Air Force, or the Space Force may be deducted from the member's pay on final statement, or from the member's savings on his clothing allowance.

(f) If, upon final settlement of the accounts of an officer of the Army, the Air Force, or the Space Force charged with the issue of an article of military supply, there is a deficiency of that article, or if an article of military supply with whose issue an officer is charged is damaged, the value of the lost article or the amount of the damage shall be charged against the officer and deducted from the officer's monthly pay, unless the officer shows to the satisfaction of the Secretary of the Army or the Secretary of the Air Force, as the case may be, by one or more affidavits setting forth the circumstances, that the officer was not at fault.

(g) An amount due the United States from an officer of the Army, the Air Force, or the Space Force for rations bought on credit, and for articles bought on credit under section 4621(a)(1) or 9621(a)(1) of title 10, shall be deducted from the next pay due that officer after the sale is reported.

(h)(1) Upon request by a service relief society and subject to paragraph (2), an amount owed by a member of the uniformed services to the relief society may be deducted from the pay on final statement of such member and paid to that relief society.

(2) An amount may not be deducted under paragraph (1) from the pay of a member unless the Secretary concerned makes a determination of the amount owed in accordance with the regulations prescribed under subsection (c). Any amount determined to be owed to a service relief society under this paragraph shall be considered an amount that the member is administratively determined to owe the United States under subsection (c) and shall be collectible in accordance with such subsection.

(3) The Secretaries concerned shall prescribe regulations to carry out this subsection.

(4) In this subsection, the term "service relief society" means the Army Emergency Relief, the Air Force Aid Society, the Navy Relief Society, or the Coast Guard Mutual Assistance.

(2) Amounts deducted under paragraph (1) shall be deposited in the Armed Forces Retirement Home Trust Fund.

(3) The Secretary of Defense or, in the case of the Coast Guard, the Commandant, after consultation with the Chief Operating Officer of the Armed Forces Retirement Home, shall determine from time to time the amount to be deducted under paragraph (1) from the pay of enlisted members, warrant officers, and limited duty officers on the basis of the financial needs of the Armed Forces Retirement Home. The amount to be deducted may be fixed at different amounts on the basis of grade or length of service, or both.

(4) This subsection does not apply to an enlisted member, warrant officer, or limited duty officer of a reserve component.

§ 1009. Adjustments of monthly basic pay

(a) REQUIREMENT FOR ANNUAL ADJUSTMENT.—Effective on January 1 of each year, the rates of basic pay for members of the uniformed services under section 203(a) of this title shall be increased under this section.

(b) EFFECTIVENESS OF ADJUSTMENT.—An adjustment under this section shall have the force and effect of law.

(c) EQUAL PERCENTAGE INCREASE FOR ALL MEMBERS.—(1) An adjustment made under this section in a year shall provide all eligible members with an increase in the monthly basic pay that is the percentage (rounded to the nearest one-tenth of one percent) by which the ECI for the base quarter of the year before the preceding year exceeds the ECI for the base quarter of the second year before the preceding calendar year (if at all).

(2) Notwithstanding paragraph (1), but subject to subsection (d), the percentage of the adjustment taking effect under this section during each of fiscal years 2004, 2005, and 2006, shall be one-half of one percentage point higher than the percentage that would otherwise be applicable under such paragraph.

(3) In this subsection:

(A) The term “ECI” means the Employment Cost Index (wages and salaries, private industry workers) published quarterly by the Bureau of Labor Statistics.

(B) The term “base quarter” for any year is the three-month period ending on September 30 of such year.

(d) PROTECTION OF MEMBER'S TOTAL COMPENSATION WHILE PERFORMING CERTAIN DUTY.—(1) The total daily equivalent amount of the elements of compensation described in paragraph (3), together with other pay and allowances under this title, to be paid to a member of the uniformed services who is temporarily assigned to duty away from the member's permanent duty station or to duty under field conditions at the member's permanent duty station shall not be less, for any day during the assignment period, than the total amount, for the day immediately preceding the date of the assignment, of the elements of compensation and other pay and allowances of the member.

(2) Paragraph (1) shall not apply with respect to an element of compensation or other pay or allowance of a member during an assignment described in such paragraph to the extent that the element of compensation or other pay or allowance is reduced or terminated due to circumstances unrelated to the assignment.

(3) The elements of compensation referred to in this subsection mean—

(A) the monthly basic pay authorized members of the uniformed services by section 203(a) of this title;

(B) the basic allowance for subsistence authorized members of the uniformed services by section 402 of this title; and

(C) the basic allowance for housing authorized members of the uniformed services by section 403 of this title.

(e) PRESIDENTIAL DETERMINATION OF NEED FOR ALTERNATIVE PAY ADJUSTMENT.—(1) If, because of national emergency or serious economic conditions affecting the general welfare, the President considers the pay adjustment which would otherwise be required by this section in any year to be inappropriate, the President shall prepare and transmit to Congress before September 1 of the preceding year a plan for such alternative pay adjustments as the President considers appropriate, together with the reasons therefor.

(2) In evaluating an economic condition affecting the general welfare under this subsection, the President shall consider pertinent economic measures including the Indexes of Leading Economic Indicators, the Gross Domestic Product, the unemployment rate, the budget deficit, the Consumer Price Index, the Producer Price Index, the Employment Cost Index, and the Implicit Price Deflator for Personal Consumption Expenditures.

(3) The President shall include in the plan submitted to Congress under paragraph (1) an assessment of the impact that the alternative pay adjustments proposed in the plan would have on the Government's ability to recruit and retain well-qualified persons for the uniformed services.
